LOOK, READ, AND LEARN
THAT THE GREAT SHOSHONEES REMEDY OF THE CELEBRATED INDIAN
DR. LEWIS JOSEPHUS,
OF THE distinguished Tribe of Shoshonees, British Columbia, is now for Sale in Canada.
THIS ALL-POSSESSING GREAT INDIAN REMEDY is warranted, and in broad and emphatic language, we can safely say, may be relied upon to mark a permanent cure of all diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, &c., as well as Scrofula, the various skin diseases, Humors, and all diseases arising from impurity of the blood, excepting the third stage of Consumption.
In the Western country, where this great Remedy has been in use for a short time, it has indeed effected some of the most marvellous cures ever recorded in the annals of history and medicine. Such being the case, in addition to its former renown and celebrity, we deem but only to state the fact that this, the Great Shoshonees Vegetable Restorative Pills, is the remedy of the 19th Century, and the greatest boon ever had at the altar of suffering humanity.
Price of the Remedy in large Pints 4/6.
For Sale by all Druggists and Dealers in Medicine.

Wonderful Cure for Consumption By The Great Shoshonees Remedy in Canada.
I, ANGUS PRINYE, of Fredericksburg, County of Lennox and Addington, C. W., can for one, truly bless God for the discovery of the Great Shoshonees Remedy, which has indeed saved me from a length of time from Consumption. Suffering for a length of time from Consumption, I last August I became confined to my house. I coughed dreadfully day and night; I expected at any moment to see death staring me in the face, and I could scarcely sleep at all, and when I did doze, night sweats burst forth fearfully, which the doctor tried, (but in vain) to arrest. My bowels were constipated, and what little I did eat I mostly vomited. My head ached almost constantly, and was so suffocated that I could hardly breathe, and racked with pain. I became so reduced that I could hardly stand on my feet, and indeed an angel of pity at the verge of the grave. I took Quinine, God Liver Oil, Citrate of Iron, Quinine Compound, &c. &c., but still grew worse and worse. I was attended by physicians who told me to prepare for death, which was my only hope. But I thank God that about two months ago this Great Indian Remedy was introduced into Canada. I grasped it as the last hope; I have taken it with the Pills ever since, and now my cough is but little, the expectation of greenish matter and blood have ceased, I sleep well, my bowels are regular, my appetite is good, vomiting and headache have stopped, I breathe easy and suffer no pain. The doctor examined my lung the other evening, and said it was open again, and for God's sake to stick to it, and don't let it slip, and have lately, to a great extent, resumed my former occupation, and all praise, through the blessing of God, to the Great Shoshonees Remedy.
This I solemnly declare under oath, in the presence of God, as follows,
ANGUS PRINYE,
Sworn before us, at Fredericksburg, C. W., on 10th day of March, 1866.
