In the evening the Cricketers and about go other gentlemen, sat down to nice dinner at the Jewelt House. After ample justice had been done to the viaude, Mr. John D. Smith, Vice-President of the Lindsay Club, gave from the chair the usual Joyal and patriotic toasts, which were duly honoured and responded to. Mr. Hudspeth, Captain of the Victoria eleven, then gave "Our Guests, the Whitby and Port Hope Cricketers, for they are jolly good fellows." We must complement Mr. Hudspeth on his speech. After he had concluded, Mr. Kitchheffer, Captain of the other side, gave in return "The Lindsay eleven," which was also duly honoured with cheers, as the previous toast had been. Various other songs, speeches and toasts followed, the company shortly after breaking up, having passed a very pleasant evening. A pleasanter game it has never been our lot to witness. THE CHARGE REITERATED.

To the Editor of the Canadian Post. Sin .- I cannot condescend to notice Mr. Mc-Carthy's last letter further than to remark that first article of the kind ever introduced under such a production could only emanate from a the name of "Pulmonic Wafers," in this or any man who was smarting under the lash, for hav- other country; all other Pulmonic Wafers are ing a truth driven home to him, which he had counterfeits. The gennine can be known by ther the courage nor manliness to acknowledge, and also to draw attention to the following facts, which cannot be contradicted, viz.: It is an admitted fact that he did walk in the Fenian Procession in Rochester (not alongside of it, as he says,) BUT IN THE RANKS. It is an admitted fact that his brother was also in the ranks wearing a badge, supposed to Relieve Irritation of the Uvula und Tonis

be the badge of the Order. It is an admitte fact that Mr. McCarthy's Relieve the above Complaints in Ten Minutes most int mate friend, with whom he walked in the procession, was no "Thirty rod" Fenian, but the real Sunon Pure Head Centre of Roch-

It is an admitted fact that I have saved the Volunteer force of this County the reproach of being officered by such a man From the above facts I shall leave a discernwell as form their own opinion of the gentlemanly qualifications displayed to his communi-

cation; and for Mr. McCarthy's information I beg to say that his threat of a Queen's Bench suit has failed to produce the same effect on me that the suspension of the Habeas Corpus did "Verily, facts are stubborn things." Once more thanking you, Mr. Editor, for re-

luctantly occupying so much of your valuable space, I am, Sir, Your Obedient Servant, THOS. NIBLOCK.

OWNERS OF HORSES REJOICING.

And why not? and who knows but that their horses are rejoicing as well; who can prove the contrary? But their owners rejoice because of the astonishing and almost miraculous effects on their horses of "Darley's Arabian Heave Remedy." Some were lean and poor having no appetite others would devour their food ravenously, yet derive no benefit from it;; some were hide bound with rough and shaggy hair; others had severe cold and coughs; many had the heaves and other complaints peculiar to borses : on all it operated as a charm, the disease or complaint was speedily removed, the appetite and digestive organs corrected—the skin softened, and a sleek and shining appearance given to the coat all without any danger to, or preventing the horse being used.
