Making between five and six thousand dol-lars taken illegally out of the pockets of unfortunate debtors in a single year by a class of men already overpaid for their ser-vices. If to this be added the amounts taken by Sheriffs who have made no returns of the amounts taken during a long course of previous years, the total would be enermous. It is little wonder that the Legislative council Committee speaks indignantly of the wrongs thus committed by those who ought to know better, and whose position should cause them to act more honourably, and demands that a repetition of the offence should ensure ejection from office.—Hamilton Times

It is satisfactory to see that Victoria does not appear in the list. This is honourable port of such claims. to Sheriff McDougall.

OWNERS OF HORSES REJOICING.

And why not and who knows but that their horses are rejoicing as well; who can prove the contrary? But their owners rejoice because of the astonishing and almost miraculous effects on their horses of "Darley's Arabian Heave Remedy." Some were lean and poor having no appetite others would devour their food rarenously, yet derive no benefit from it; some were hide bound with rough and shaggy hair; others had severe cold and coughs; many had the heaves and other complaints peculiar to horses on all it operated as a charm, the disease or complaint was speedily removed, the appetite and digestive organs corrected—the skin softened, and a slock and shining appearance given to the coat all without any danger to, or preventing the horse being used. WONDERFUL CURE OF CONSUMPTION BY THE GREAT SHOSHONEES REMEDY

ed dreadfully, day and night; I expectorated quarts of greenish looking matter, and large quantities of blood. I could scarcely sleep at all, and when I did dose night sweats burst forth fearfully, which the doctor tried but in vain to arrest. My bowels were costive, I lost my appetite, and what little I did eat I mostly was so suffice ted that I could hardly breathe, each. 17 Remember that the Cotton Yarn is only \$2.25. omited. My head ached almost constantly and racked with pain. I became so reduced that I could hardly stand alone, and indeed an object of pity at the verge of the grave. I took Quinine, Cod Liver Oil, Citrate of Iron, Quinine Cough Mixtures, &c. &c., but still grew worse and worse. I was attended by physicians who told me to prepare for death, which was my only hope. But I thank God that about two months ago this Great Indian Remedy was introduced into Canada, I grasped it as the last hope; I have taken it with the Pills ever since, and now my cough is but little, the expectoration of greenish matter and blood have stopped, I sleep well, night sweats have ceased, my bowels are regular, my appetite is good, vomiting and headache have stopped. I breathe easy and suffer no pain. The doctor examine ed my lung the other evening, and said it was open again, and for God's sake to stick to this (MARS, Tobaccos, Pipes (every style), To-bacco Pouches, Cigar Cases, &c., &c., of been out visiting, and have lately, to a great extent, resumed my former occupation, and all praise, through the blessing of Ged, to the Great
