PROCLAMATION.

I regret to say in answer to the many invitations to visit the villages of this County (professionally), that I cannot do at present, in consequence of an at-tack of rheumatism, but will most cerand bring with me a large assortment of my improved and patented spectacles, to adapt to the eyes, of all needing them, and for consultation on diseases of the eye and ear. Notice of my visit will be given in each village by circular. With many thanks for the liberal patronage from the people of Lindsay.

I am respectfully. EDWARD S. FRANKS, M. D., Lecturer on the eye, ear, and their diseases, and on the use and abuse of spectacles. From Manchester, England.

WOODVILLE.

From Our Own Correspondent.

Between 3 and 4 o'clock on Wednes day morning the 8th inst., the house of Mrs. Morison was entered by a burglar who made his way in through a window on the ground floor. After rummaging the lower part of the house without obthe lower part of the house without ob-taining any money which was evidently his object, he went up stairs, entered Mrs. M's bedroom and began prying open the drawer of a bureau with a chisel when Mrs. M. awakened and gave the alarm. Mrs. Morison followed him down stairs, but the fellow had taken the precaution of leaving the doors open to make his escape easy. All the money the fellow got was some loose change in Mrs. M's purse which he had taken out of the pocket of her dress. The inmates of the other houses in the village were disturbed by the prowlings of some characters about their premises earlier on the same morning. A gang of burglars are evidently going through the country, and every one should be on the look out for suspicious characters. lown stairs, but the fellow had taken

for suspicious characters.

The erection of a cheese factory in this village is being proceeded with as rapidly as possible, and will probably be in operation early in May.

THE HOWE.

The Mayor stated that Messrs.

Browne & Mann had entered an action against the town for the couplings of the hose that had been returned and pro-posing to withdraw the suit on receipt of \$85 for couplings, commission, and other expenses. COURT OF REVISION.

Coun. DEACON moved, seconded by Coun. Okur, that the Court of Revision for the current year be composed of Couns. McLennan, Deacon, Crandell, Orde and Sanderson, and that the first meeting of the Court be held on the 11th of May next. MAIN DRAIN PLANS.

main sewer; and another by-law re-specting sanitary arrangements for the application of an old man named Haniapplication of an old man named Hamivan, who had for years been a resident and ratepayer of Ope, and had for two or three years lived in town. He thought it was a great hardship that a man who had never contributed to the finances of the town should now be a pensioner on the town. He understood the old man's application to Ops Coun-cil for relief had been peremptorily re-fused, though that Council spent only \$110 while Lindsay gave over \$1,000.

TO THE INHABITANTS OF THE COUNTY RAILWAY MATTERS-THE LABOUR QUES-

PANILY-RIEL announcement a very large and influen-tial meeting of the inhabitants of the discuss matters relative to the Victoria Railway Company. Mr. John D. Smith was chosen chairman and Alex. A. Mc-Donald as secretary. In response to a telegram from the President of the Company a deputation consisting of a few of the leading men of the village was ap-pointed to represent us at your meeting on Tuesday evening

A meeting called by the working men of this place to be held at Scully's Hall

on Thursday evening next is duly announced by printed placards. The object of the meeting is not yet known, but it is likely for the purpose of considering the labour and wages question.

This exciting question has agitated the world more or less, but one would think this distant point would escape the contagion. However I suppose money and money's worth are as important here as

musical entertainment here last Mon-day evening. It was a decided success. Our farmers are somewhat apprehensive that in consequence of the peculi-arities and severity of the weather this arring the fall wheat will be damaged.

More or less excitement prevails here
respecting Riel. It is a puty that this
much talked of question could not be
settled at once and forever and save the
country the avil officer aver covered. country the evil effects ever consequent upon such questions being left open.

MINDEN.

ST. PAUL'S CHURCH SOCIAL - COLD

object of the ten was to raise money to seat St. Paul's Church. The night was stormy and the roads in a bad condition, but neither stormy weather nor bad roads can hinder the people of the district from attending these gatherings. The people are different to what they are in other places in that respect. There was a large "turn out." The church was full and the ladies had provided us with an excellent tea. Afterwards we had the literary and mesical part of the entertainment. The Messrs. Walters and Mrs. Walters from Lind-

tend to for some time yet by the appearance of things. However we are in great hopes that July will settle the question; as the man said who fell on the ice, on which it seems his head struck and caused the stars to appear in broad daylight, and of course wanted revenge, "that July would revenge him," and we have hopes that July will revenge us for what we are enduring now.
