nable to carry out the terms of Union.

A PHYSICAL IMPOSSIBILITY;

under these circumstances, all that British Columbia could fairly complain of would be an indisposition on our part

hers here to advance the sum of \$250,

 Grand Trunk,
 Huffste and Huren,
 Wellington, Grey and
 Gebourg and Peter. 3 Wellington, Grey and Hydroning and Fewer Hruce, 1 Do. Southern Extension, 21 Trent Valley, 21 Cobourg and Marsing House, 22 Cobourg and Marsing Hruce, 23 Kingston and Pon-Hruce, 24 Froget, 11 Brockville and Ottawa 25 Canada Cuitral, opini; the proposal of the Columbian s Mt Forest Extension. ure we have submitted, a research tion which is on the paper, and which ms are disposed of will authorize the Gevernment to carry this out. It was greed to this modification in favour of

or the building of the railway. It is, sir, one of these modifications that one connection in the Dominion. The Com-

pany expects bonnses from the Counties, towns and villages to the amount of \$7,000 per mile, and \$3,000 per mile influence on the provincial mind from Government. It is the intention of the Company to make this line the very best in the Province, as the grades me concerning any bargain of this kind I utterly deny. There was will be easy, curves very few, and no bridging worth speaking of. It will run right along the water shed, through the ms whatever We merely thought whole of Ontario. \$20,000 per mile will make a first-class road, and \$10,000 per mile will equip it with ample rolling stock. It will take 30 cars in a train favor of the Province that circumstances seem to have called for, and that where the Orand Trunk can only take the Government was ready to concede for the benefit of the Province and the interests of the Dominion. (Hear, hear) The Government will feel bound that is Montreal and Liverpool. Sir Hugh Allan and his friends have able modification in the terms of Union or not, it will make no difference with this Government in corrying out what is just and right in the public interest. It Northern Colonization road. He is just the same with reference to the President of those two reads, and it is other proposal to advance to the Government of British Columbia for internal matters a sum of \$900,000 or theresabouts, being the amount upon which abouts, being the amount upon which they are entitled to receive interest. A measure will be submitted to l'arliament to earry out both projects, but they have no connection whatever with the terms connected with the Pacific Railway further than I have indicated. We expect every Frovince to concur many reasonable modification of what may be rigidly due to them when the public weal seems to call for it much the Dominion on the other hand will be 'open in consider mything that is essential for the through as well as the local business.

weat seems to eall for it ; and the Dominion on the other hand will be 'open to consider anything that is essential for Proyncial prosperity, even if the torms of Union should not strictly require it. This is the principle upon which the Government have considered these two proposals, and this is the spirit in which we expect firtish Columbia to receive them. We frankly confess that we are mable to carry out the terms of Union.

Mr. Lionel Levy, proprietor of the (illube Theatre, in London, has presented the Duke of Edinburg, as a wedding gift, a dessert service of solid gold. Its value is between 3,000 and 4,000

position on the part of this Government, and they will see none on the part of this l'arliament, and it would be mere madness for them to expect, or for us to this Parliament, and it would manufacture for them to expect, or for us to protond, that we were willing to do what everybody knows is a physical impossibility. I have no doubt, Sir, that possibility. I have no doubt, these propositions of the new arms have also been given.

The French Cabinet were defeated on Saturday upon a test vote, and repossibility. I have no doub', Sir, the forms will agree to these propositions. In the discussion of this questions. In the discussion of this question in the newspapers within the last few days, although we might inity expect newspapers in the interests of gentlemen upposite to discuss these resolutions more from a party than from a manifesting themselves in the interests of gentlemen upposite to discuss these resolutions more from a party than from a manifesting themselves in Paris and Versilles, Silver and Paris 25 cm.
