DR. SANGSTER'S CASE.

that they will do so. Much more is said about Inspectors abusing their official position to pronote Dr. Sangster's canvass. It is to be regretted that their zeal should outcan their discretion. They have their in the selection of a representative for the teachers, and the teachers should sectional bonus by-law to enable Feneresent the slightest interference on the lon Falls to give a bonus of \$16,000 to to be intrusted with the franchise and are to be unduly induced by Inspectors to be unduly induced by Inspectors are considerable changes should be made in the law, and if it appear that Inspectors have quietly or openly used undue influence in this election we have not the slightest doubt but some sweeping amendments will be completed Monday afternoon.

With the view of preventing a catastrophe we publish some particulars concerning a duel that was to have been fought last Saturday morning; and that may yet be fought if proper measures in the premises are origaged now in the dissemination of fly-sheets containing the letter of "Hastings" and an article from a small. Torento weekly in defence of Dr. Sangster. For a copy of the letter we are indebted to an Inspector, and we must say that we are surprised that he introsted with the franchise and

TORONTO DIOCESAN SYNOD.

We have just received the order of proceedings at the approaching Synod of the Diocese of Toronto, and from it we are with the new law. The pamphlet SPRING IMPORTATIONS
the Diocese of Toronto, and from it we learn that there are 131 parishes and missions in the diocese and 156 clergymen. The Synod will assemble next Tuesday (16th) morning in St. James Cathedral, and after service and sermon will organize in the Cathedral School House in the afternoon, the Bishop taking the chair. The delegates from the parishes and form has been adopted; and this will be found the most convenient method for populous townships. As there are 1115 voters in the township the pamphiles form has been adopted; and this will be found the most convenient method for populous townships. As there are 1115 voters in the township the pamphiles makes 48 pages of names, to which are added several blank pages for the judge's certificate, clerk's affidavit, and other purposes. We commend this torm to the attention of other municipalities having large lists. taking the chair. The delegates from having large lists.

this place are Mr. John Dobson, Dr. J.

A. Wilson, and Mr. H. Dunsford. Mr.

The delegates from having large lists.

VICTORIA COUNTY COUNCIL.

The RESTING CORRES-PONDENCE.

A. Wilson, and Mr. H. Dunsford. Mr. J. H. Knight will represent the parish of St. George's, Cameron. The Synod will be composed of between four and five hundred representatives, and will continue in session during the week. On Wednesday evening there will be a missionary meeting, and on Thursday evening a Sunday School Convention. We are gratified to learn the Bishop has requested Rev. Dr. Smithett to take part in each of these proceedings. Prop. part in each of these proceedings. Probably the question of most interest will be the sub-division of the diocese and and especially the setting off of the Ni-agara district for wich, we learn, th most of the endowment fund has been

secured.

WESTERN "FRILLS." A Good Boxes. The town council of Lindsay, which is about half the size of Stratford, on Monday, passed a by law granting a bonus of \$65,000 to the Victoria Railway Co. Stratford Beacon.

Commend us to these Western places for conceit, assurance and cool assumption of superiority. The immensely pa-Kent St. Landsay tronizing style of our good Beacon friend will cause no little amusement aniong a Tolograph other; Fire and Diferent Ac- those who know ever so little of the to loan places compared. Lindsay half the size others contain sounts, three doors east of of Stratford, forsooth! Our contem-A MONTHURE BROKET POTATY should know that Lindsay is now nearly as valuable and as populous as the getting off place on the banks of the Avon, and so great has been its pro-Cabinet Maker and Upholsterer, gress that in a few years it will undoubtedly surpass that redolent of Shakespeare town. For the information of peare town. For the information of our beinghted western contemporary we may state that Lindsay has the finest den laid before the Council Mr. Duffus' business street; the best system of sewerage; the best waterworks; the finest County Council Chamber; and the neatest newspaper in the Province. We haven't any gas just yet, as our own Prog. contemporary has long supplied the demand, but we must effect an improvoment and can at any rate keep pace with Stratford. We can man— and woman too- a fleet of more than two dozen steamers and two score barges. Can Stratford show that it ever rules

RECIPROCITY.

the facts.

14. The treaty to continue in force

Concorning the third clause the Tri-Canadian 205t. bow truly remarks: What this enumeration embraces is not yet known, but LINDSAY, FRIDAY, 31 NE 12, 1874, the adjustment of the list will undoubtedly be found the most difficult element of the reciprocity problem. It may, however, be noticed that Canada commend to the careful consider of the Public School Teachers of an excess of agricultural products and of the products and that the population is like that of our Westthrecounty the specific statements printed in other columns concerning Dr. Singster. The tilade's charges are plain and direct, and have not been met by any statements that would satisfy an intelligent prior. Dr. Singster has in melligent prior. Dr. Singster has in the tilade of the crowded countries of Europe. The arguments which apply, therefore, against a competition with the pauper labor of Europe in relation to protective duties on manufactures can hirdly apply to a rural population like that of our Western States, not like that of the crowded countries of Europe. The arguments which apply, therefore, against a competition with the pauper labor of Europe in relation to protective duties on manufactures can hirdly apply to a rural population like that of our Western States, not like that of the crowded countries of Europe. The arguments which apply, therefore, against a competition with the pauper labor of Europe in relation to protective duties on manufactures can hirdly apply to a rural population like that of our Western States, not like that of the crowded countries of Europe. The arguments which apply, therefore, against a competition with the pauper labor of Europe in relation to protective duties on manufactures can hirdly apply to

School Feachers and asks not only an gestion of a more free introduction of their raw materials, in order that they metal but a certificate of character. may become better customers than now needly a done when there is no case for the products of our skilled industhe Gold is made to tries. It is also to be noted that the do duty on all occasions. If teachers elect Dr Sangster they do so with their eyes open, but we can hardly conceive Dominion, which claims most streamously that it needs protection against the United States, and that reciprocity

will utterly destroy the incipient manu-facturing intrests of Canada.

EDITORIAL NOTES. We learn that a brigade camp for e as well as good taste should | bourg on the 26th inst. About two o them to remain perfectly neutral thousand volunteers will go into camp.
