MR. BROWN AND HIS SLAN-

wide, as far as even this swift-going slander can penetrate; and no person of sense or respectability entertains for a moment the infamous accusation. An attempt at justification, as breach as it is absurd, has been made by instituting a comparison with the Sangster case. If the Clobe's arraignment had failed the result would have been far more disastrous to the influence of that paper than any consideration of demands.

Diocean Convention Reports of Mass., and Report of Norwich University, Vermont, and Report of Convention Reports of Mass., and Report of Convention Reports of Mass., and Report of Convention Reports of Mass., and Report of Convention Reports of Convention Reports of Mass., and Report of Convention Reports of Mass., and Report of Norwich Convention Reports of Mass., and Report of Norwich Convention Reports of Mass., and Report of Norwich Convention Reports of Norwich Convention Report than any consideration of damages. Int the (Nobe's charges were welfounded, and have been established. Then the charges have been met far differently. The slander on Mr. Prown is like the calculating attempt of a band prity could neither be understood nor approvided by his annilant. We are confident of a complete vindication of Mr. Brown's character; would recould be equally confident of the removal

Having published the "paragraph" alluded to, we give place to the following statement of facts from the Peterboro' Reuminer :-- " A paragraph has been circulated among our exchanges, which contains a number of mistate ments circulated to inflect injurisosly and unjustly on the timber trade, in respect to the Royal Commission that has been sitting in this town, to enquire into certain alleged timber fraude. The facts of the case are these :- In the winter of 1871-2, a clerk who had been dis-

charged from the employment of Mr. W. A. Soott, informed the Crown Land De-A. Scott, informed the Crown land Pepartment that frauds had been practised upon the Department for a number of years, by false returns of timber and logs cut, whereby the country had lost a large amount of revenue. The floveriment imposed a fine of \$26,000, which the estate had to pay in order to get a renewal of the timber licenses. get a renewal of the timber licenses. Company, is in favor of reciprocity.

The assignes of the catate, and brothers of Mr. W. A. Scott, felt convinced that and a Yankee." This is sound Tory the fine was unjust, and pressed the logic matter upon the attention of the Gov. —Alluding to the trumpery matter matter upon the attention of the 1407erument, who granted the Royal Commission before mentioned.

"We cannot, of course, anticipate
the result of the Commission, but we
the result of the Commission, but we

mission before mentioned.

"We cannot, of course, anticipate the result of the Commission, but we are confident justice will be done, and if found that false information led to imposing the line, it will be remitted.
The "loating paragraph" referred to all capit also states that a number of lumbermen as that, are implicated in the alleged or similar.

From the control of the There is no foundation whatover for this charge. It is to the interest of our lumbermen to give exact, accurate, and lowest returns, and we be lieve they always do. Nor was there connected with this matter as alleged any lumberinan who became a bankrupt, and afterwards a member of Parliament. There is in fact no person in this district who answers this description. The paragraph was a tissue of misrepresentation and calculated to leave false impressions

> THE COUNCIL OF PUBLIC INSTRUCTION.

Public School teachers to the Council goods he buys." voting papers can be received up to next Tuesday. These will be counted Wednesday. No public verdict will be swaited with more interest.

There are only two candidates, Prof. Goldwin Smith and Dr. Sangater. The tide has turned strongly against the latter since his shameless seknowledged attempt to mislead with a garbled opinion of the Hon, J. H. Cameron and his failure to publish the opinion in full. " It has been shown by the last letter of 'Hon. J H. Cameron, that his former wife obtained a divorce from him," re-Old Jewett House, marks the Scalorth Kepositor, which limited supply of pure vater; and the at first sympathized with, and supported Dr. Sangster. "He has, thus far, failed to show upon what grounds | penditure. "that divorce was obtained. In a ' moral point of view a divorce should only be obtained for adultery. Dr.

Sangater has, therefore, been guilty of this orime, or he has been fraudulently divorced from his first wife.

If the latter, he has had ample opportunity to prove it to the satisfaction millia Ha has not aven attempted to do this, and, consequently the only conclusion we can arrive at is that he has been guilty of the former, and is, therefore, morally unfitted for the position to which he aspires, and should not receive the support of the Public School teachers." " May the gods be merciful to the wretched babblers who are so hardly pressed as to be driven to make political capital out of such a circumstance

From the farmer's point of view, the Hon. Malcolm Cameron, M. P. for South Ontario, whose long experience in matters of public interest should have some weight, thus discusses the new treaty:--"What does Brown's Recipro-city mean?-- It means \$5 on a cow, \$25 on a horse, \$2 on a hog, 25 cents on a turkey, 12 cents on a chicken, and \$2 a ton on hay, 15 cents on barley, and 25 cents on wheat. It means the open-ing up of the largest and best ship-building business Canada ever saw and the reangrection of old Quebec. It means building of schooners and barges at every port on Lake Eric and Lake Ontario and good wages for ships and sailors, the highest price for everything the farmer sells, and the lowest price for all the

Peterboro' Council a plan for the conatruction of works to supply water for a population of 20,000, from a reservoir ve Hilliard's saw mills, capable of holding five millions gallons. The works would cost in the opinion of Mr. Lesage, Chief Engineer of the Montreal Water works, about \$78,000 exclusive of site, pump-house or water power; but Mr. Romaine is of opinion that at completed for \$80,000. The Conneil adopted the report and the necessary steps will be taken to submit a by-law to the people to authorize the expenditure. Mr. Romaine deserves credit for public spirit and foresight in advocating a matter so important as an un condition will warrant so heavy an ex-
