LINDSAY, FRIDAY, OCT. 2, 1874.

ICELANDIC IMMIGRATION. We had the pleasure of meeting the other day, Mr. Hay, Ontario Emigration agent, Mr. Honry Taylor, Secretary Mr Johnston, a young loolander, or their return from a trip to Kinmount. Mr Taylor's object was to see the country and get all the information abou had emigrated to this country. Mr. Hav and Mr. Johnston were making whom it is specially addressed: arrangements for the temporary settlement of the three hundred feelanders who arrived in Toronto a few days ago The thevernment were, we understand rather perplayed about the disposal .. omore. As they were unacmonted with the English language they could not well be distributed through work all winter on the Victoria Railway apring they could receive grants of land in the neighbourhood. This excellent

is room for several improvements that would make it more successful. Everytion of Reciprocity and the imposition of thing intended for exhibition in the drill shed should be in place by four or five o'clock on the first day; and in the last of the Provisional Agricultural Association, is of a different mind, as all Association, is of a different mind, as if we were sure that it had so large an amount of Government denosits." evening the place should be well light- will appear from his sensible and practi- amount of Government deposits." ing would be more gratifying to there can be no doubt, and in all disconsiderable numbers of townspeople cussions on this subject it ought to be and all building material considerable numbers of townspeople than to see the annual display; but the greatest number is the object of all the greatest number is the object of all wise legislation. It will be difficult, if not inpossible, to frame a Treaty which should, of course, be engaged for the first exhibition as well. This plan would be more satisfactory to all parties, and would result in a finer and more varied would result in a finer and more varied would result in a finer and more varied by an open market between would result in a finer and more varied display. It would also be well to have an "entrance" and "exit" for the drill shed, so as to obviate crowding. Some other suggestions may be made, and we shall be pleased to give them publicity, with the view of furthering the efficiency and popularity of an exhibition, in the success of which all are interested. We have no doubt the directors will consider sensible suggesdirectors will consider sensible sugges tions in the friendly spirit in which

ed and thrown open to the public. This cal address- a portion of which we subwould give a great many townspeople join: "The new Treaty of Reciprocity organ wants to know why The Poer did an opportunity of visiting the exhibition, which they cannot do at present owing to business demands. Many, owing to business demands. Many, too, do not go now because the jam is so great that comfortable sight-seeing is impossible. By giving two distinct exhibitions this would not take place; and the receipts would certainly be from lifty to a hundred dollars more. Nothing would be more gratifying to considerable numbers of townspeople. Many, bodies which have a voice in its negotiation and ratification. Meantime its proposed terms are undergoing that ordeal of criticism to which all public measures are subjected in free countries like our own. That the general welfare of the country, and in particular the agricultural interest, will be promoted by a fair Treaty of Reciprocity, there can be no doubt, and in all disconsiderable numbers of townspeople.

EDITORIAL NOTES.

-We learn Mr. Farewell, M. P. P. for South Ontario, has announced that it is not his intention to stand for elec-

tion again. —Sir John's Kingston organ hum-bly acknowledges that the "Chieftain" may be unseated, "through the mista-ken zeal of some of his friends," What do the other organs think about "mis-taken zeal?" Good phrase, isn't it? -On dit that the Hon. Mr. C. Cameron will seek refuge in North Ontario, and that the wires are being pulled in favour of Hon. Wm. McDougall for South Victoria, and that the latter in We observe Mr. John Fowler has the event of success, will assume the been advocating the claims of the Furon local House.

-The Free Grant Gazette says it is proposed by the electors of Muskoka and Parry Sound to hold a convention for the purpose of choosing a ministerial candidate to contest the constitu-

lay on a special train. He came from Toronto, on the Nipissing, with a pleasure party. The visit of the great capitrailway and navigation projects. The value of town lots in Midland City has not diminished, at any rate.

-While a few factionists in a solitary English newspaper office and in Canada, says the Hamilton Times, are faisely pretending to see in Hon. Mr. Mackenzie a desire to impair the integ-rity of the British Empire, and break off Canada's connection with it, we have had Mr. Mackenzie at the Canadian Wimbledon, the other day uttering such sentiments as these: "It is the duty of every Government to foster such measures as would aid in main-taining the welfare and dignity of the Empire. \* \* He believed the sen-timent of Canada was right, and if a dismemberment of the British Empire took place it would not be brought about by any action of the Canadian

masterly speeches at the Glencoe and Grimsby Reform demonstrations, the upon him by the Opposition leaders, in one of which our member joined." tension. The P. H. Times understands who having "done" the city and the is X—, who intends opposing me at next election, arming himself with Sir Hugh Allan's carpet bag, and all its with the Ontario Government, for the transfer to the town of the interest the name of the owner; and as the satchel

voked no little merriment. Port Hope would undoubtedly do matter of protested elections the Tories wisely in giving the required bonus, and occupy a position exactly twice as bad that "out of the 88 seats in Ontario, the Tories carried only 18, so there is and badly bruising his head and arm, fit from the bonus. The meeting in England will also no doubt affect an important change, which we have be true wonder that there are more Lib-also giving him a severe shock. Dr. McLachlan, of Enniskillen, was sent for and in the mean time he was con-Tories every one of their contested seats and then have a majority of fifty per cent. of the Ontario vote remaining. interviewing the President, that he extension of the Railway to the main line of the Railway to the fourth." Or, to put it in another shape without protest. All of which figures go to show that even in their humiliation, poverty and despair, the Tories do more than their proportionate share

> -The first of a series of libel suits entered by the Hon. Geo. Brown against proprietors of Tory newspapers in which the slander against Mr. Brown first circulated by the Toronto National was repeated, came off the other day at ampton. The defendant was a Mr. Cliffe, proprietor of a paper published in Kincardine. Mr. J. H. Cameron, in opening the case for the plaintiff, stated there was no desire to exact heavy damages, the object of the suit being to vindicate Mr. Brown's character, and to prevent a repetition of such slanders as that complained of. The detendant merely pleaded "not guilty" and did not make the slightest effort to. justify himself in publishing the scan-dalous statement or to establish the cor-

son's ; but some unscrupulous Prog -Writing to the Peterboro' Review the state of the contingence of
