TINY TOKENS.

(From Good Words.)

The murmur of a waterfall

The murmur of a waternal
A mile away,
The rustle when a robin lights
Uponsa apray,
The lapping of a lowland stream
On dipping boughs,
The sound of razing from a herd
Of gentle cows,
The echo from a wooded hill
Of suckon'scall.

Of cuckoo's call.
The quiver through the meadow grade the current fall:—
Too subtle are these harmonies
For pen and rule,
Such music is not understood

Eyany school; But when the brain isoverwrought,

It hath a spell, Beyond all human skill and power,

The memory of a kind word
For long gone by.
The fragrance of a fading flower
Sent lovingly,
The gleaming of a sudden smile
Or sudden tear,
The warmer pressure of the hand
The tone of cheer,
The hush that means "I cannot speak
But I have heard!"
Ine note that only bears a vetae
From God's own writ:
Such tiny things we bardly count
As minstry;
The givers deceming they have shown
Scant sympathy;

Scant sympathy;
But when the heart is overwrought,
Oh, who can tell
The power of such tiny things
To make it well!

For drink what excuses ye'll get,
Some drink' cause they'er worried w' can
Some drink cause they're deep into debt,
Svue drink fleamedves deeper in mair.
Some drink cause they're ane o'a set
that's recokoned causeterie au bankl;
Some drink cause they're class h. e got wet,
An they're feart o' a dwaff o' the cauld.

THE CHANNINGS.

BY MRS. HENRY WOOD. CHAPTER XXI. (CONTINUED FROM LAST WEEK.)

Mr. Galloway could not be brought to see it. "You may as well set on and suspect Harrish," he resentfully said. "He was equally alone with the letter."
"No," was the answer of the keen officer. "Hamish Channing is in a responsible position; he would not be could not know that the letter contained money." Mr. Butterby was not cog-nizant of quite the strict facts you

"It is absurd to suspect Arthur pect him, or to assume that the bank. note vanished without hands? dried itself up to annihilation? forced its own way through the letter and envelope, and disappeared up the chimney in a whirlwind?" asked the officer, bringing sarcasm to his aid. "If the facts be as they are stated, that only the two Channings had access to the letter, the guilt must lie with one of them. Facts are facts, Mr. Galloway."
Mr. Galloway admitted that facts

were facts, but he could not be brought to allow the guilt of Arthur Channing. The detective rose.
"You have confided the management I make no doubt I shall be able to arrive at a satisfactory conclusion. One more question I must ask you. Is it known to your clerks that you have not

"Yes, it is."
"Then I fear you stand little chance of ever seeing it again. The fact known, no time would be lost in parting with it; they'd make haste to get it safe off."

Not an instant did Mr. Butterby take Not an unstant did Mr. Butterby take for consideration upon quitting Mr. Galloway. With a sharp, unhesitating step, as though his mind had been made up for a month past, as to what his course must be, he took his way direct to the house of Mr. Joe Jenkins. That gentleman, his head tied up yet, was just leaving for the office, and Mr. Butterby encountered him coming through the encountered him coming through the shop. "Good morning, Jenkins. 1 want a

word with you, alone."

Jenkins bowed, in his civil, humble fashion; but "a word alone" was more village on that occasion, notwithstanding the inclemency of the day, witnessed ing all-powerful, and burning with curi- the scene of one of those demonstraosity. MURDUR AT WASHAGO. ONTARIO LEGISLATURE.

MAN NAMED ALEXANDER D. WACDON SPEECH PROM THE THRONG. ALD SHOT THROUGH THE HEAD.

Last Friday afternoon a man named
Alexander D. Macdonald caused consid-The fourth and last session of the Ontario Lesislature was opened on Thursday, Nov. 12, by Lieuteran Governor Alexander D. Macdonald caused considerable annoyance in the Washago House Washago, insulting and striking several respectable residents. His conduct was such! that he was turned out of the house twice, and on the last occasion, while standing on the side of the road with his back towards the hotel the report of a pistol or revolver was heard, and at the same moment the man fell on his face. On being raised by his from the throne:—
Mr. Speaker and Gentlemen of the Legislative Assembly:—I rejoice that, in meeting you again to confer on the public affeirs of the Province, I am able to congratulate you on another year of Wheat in one hour, lately.

with his back towards the hotel the report of a pistol or revolver was heard, and at the same moment the man fell on his face. On being raised by his friends, a small wound was noticed in the back part of his skull, from which brain matter and blood issued. Dr. Ramsay, of Orillia, was immediately telegraphed for, and on arriving he found that a bullet had penerated the brain in the place indicated. Before morning death took place, and an inquest was opened by Coroner Ramsay at half-past eight Saturday morning. The investigation was of a most searching

at half-past eight Saturday morning. The investigation was of a most searching character, and at last it was ascertained from a witness named Polson that he saw Mr. Stephen Whitney, a farmer who for many years has occupied a respectable position in that locality, deliberately aim and fire upon the deceased at a distance of twenty feet. Dr. Ardagh, who opened the skull, found the bullet in the base of the brain. In the meantime Mr. Whitney, who at the commencement of the proceedings was and determined; and have agreed to the more in the Ojib is "Wab-a-goosh." Typographical mistake. Should be "What-a-goose."

In accordance with a resclution passed at your last session, with respect to the westerly and northerly boundaries of the Province, my Government and the Government of the Domirion have agreed on a provisional line, to be assumed as correct for the purpose of Land Grants by each Government, until the tree boundary shall be ascertained to the more in the Ojib is "Wab-a-goosh."

Typographical mistake. Should be "What-a-goose."

In accordance with a resclution passed at your last session, with respect to the westerly and northerly boundaries of the Province, my Government and the Government of the Domirion have agreed on a provisional line, to be assumed as correct for the purpose of the Wab-a-goosh."

Typographical mistake. Should be "What-a-goose."

In accordance with a resclution passed at your last session, with respect to the westerly and northerly boundaries of the Province, my Government and the Government of the Domirion have agreed on a provisional line, to be assumed as correct for the purpose of the Standard province of the Province, and the Government of the Domirion have agreed on a provisional line, to be assumed as correct for the purpose of the Province, and the Government of the Domirion have agreed on a provisional line, to be assumed as correct for the purpose of the Province, and the Government of the Domirion have agreed on a provisional line, to be assumed as correct for the purpose of the commencement of the proceedings was and determined; and have agreed to in the room disappeared into the woods leave to arbitration the question as to east of Washago.
