Fu' mony a time in scene sublime On braes that skirt the waters,

Oh, 'twas nae use, I maun refuse
My love to ony ither,
My heart is wae, but come what may,
Will leal be thine for ever.
My veins rin bluid, 'ass, quite as guid
As ony Scottiels chiel,

The poortith cauld now me enfauld, Ye ken I lo'e richt weel.

So, on a day not far. I pray,
Thy glintin' een may shine.
Upon my heart, and sweet impart
The hope ye will be mine.
Syne, lassie, sleign to smile again
Upo' thy faithfu' laddie.
Wha lo'es ye wed in spite o' deil,
An' thy daft menseles diaddie.

The exclaimed, standing up in his menced.

The exclaimed, standing up in his menced. "Thomas, was this Christian conduct?"

duct?"

"I don't know, papa. It was schoolboys'."

Mr. Channing, in a depressed tone, replied, "I know it was a schoolboy's conduct; that is bad enough; and it is my son's, that is worse."

"If I had given him what he deserved, he would have got ten times as much; and perhaps I should, for my temper

"I don't know, papa. It was schoolboy's men!' he exclaimed, standing up in his place, and stretching his neck on high to obtain a view of them. "Why—it to obtain a view of the the conduct of the DiI hardly need say that my position not to criticize the conduct of the DiI h he would have got ten times as much; he would have got ten times as much; and perhaps I should, for my temper was up, only Gaunt put in his interference. When I am senior, my policy of rule will be different from what Gaunt is:

"Ah Tom! your 'temper up!" It was to large a figure to give a bonus is that temper of yours which brings.

"Ah Tom! your which brings is that temper of yours which brings is the weak and lips. Is a like the dead of the property was unsaleable, and it became necessary, in order to secure a tradic, that it should be extended to course of constitution of the property was unsaleable, and it became necessary, in order to secure a tradic, that it should be extended that the figure named by the Directors was too high. The first mortgage was unsaleable, and it became necessary, in order to secure a tradic, that it should be extended that the figure named by the Directors was too high. The first mortgage was unsaleable, and it became necessary, in order to secure a tradic, that it should be extended that the figure named by the Directors was too high. The first mortgage was unsaleable, and it became necessary, in order to secure a tradic, that it should be extended that the figure named by the Directors was too high. The first mortgage was unsaleable, and it became necessary, in order to secure a tradic, that it should be extended to the figure named by the Directors was too high. The first mortgage was unsaleable, and it became necessary, in order to secure a tradic, that it should be extended to the figure named by the Directors was too high. The first mortgage was unsaleable, and it was this palleable, and it was this palleable, and it was this palleable, and it was the case, he thought that the figure named by the Directors was too high. The first palleable, and it was the danger is "

"Ah Tom! your 'temper up!" It rise to Tom's concluding exclamation.

"Ah Tom's your which brings on the rise to Tom's concluding exclamation.

"Mr. Channing looked at Arthur, Mrs. the means, and we came here to ask for your what was the quarrel Channing looked at him; they all looked the money with the feeling that those would also suggest to the Directors that about?"

"I would rather not tell you, papa.

Not for my own sake," he added, turning his honest eyes fearlessly on his father: "but I could not tell it without betraying some thing about somebody.

Arthur!" inquired his father.

The money with the feeling that those would also suggest to the Directors that those who advanced it were sure of their interest. I believe I can satisfy the condholders that their security is perfectly good, but unfortunately we have and others who are interested. Hear, not been able to meet the interest. The betraying some thing about somebody, which it may be as well to keep in."

Arthur?" inquired his father.

Arthur?" inquired his father.

A low, brief reply came; one struggling for calmness. "No, sir."

Arthur?" inquired his father.

A company last year found that the congling for calmness. "No, sir."

Arthur?" inquired his father.

Company last year found that the congling for calmness. "No, sir."

Arthur?" inquired his father.

Company last year found that the congling for calmness. "No, sir."

A low, brief reply came; one strugging or calmenss. "No, sir." Sir." Said Mr. Channing.

"After that lucid explanation you had better that lucid explanation you had better that lucid explanation you had better that lucid explanation." Impetuous Tom, forgetting caution, forgetting call save the moment cantually present, gave utterance to more than you from the mom, volunteering to procure the water. They were standing in Tom's chamber afterwards. They were standing in Tom's chamber afterwards. Thom bathing if the police are not come to arrety on. Butterfy wouldn't be such a face, and Constance looking on, when Arthur, who had then come in from a farthur, who had then come in from the more of the following the farthy wouldn't be such a face, and Constance looking on, when Arthur, who had then come in from a farthur, you are watered, and have piched into Pierce sent two works. They were standing in a stone of the blue official dress, a climpse of the bound of the property and was stolen of Gallowsy bank-note, Pierce sent two, and so it went on I should have pitched into Pierce sent two, and so it went on I should have pitched into Pierce sent two, and so it went on I should have pitched into Pierce sent two, and so it went on I should have pitched into Pierce sent two, and so it went on I should have pitched into Pierce sent two, and so it went on I should have pitched into Pierce sent the farthur of stealing the fail was proposed not only to have been constructing the line, the collection of the blue official dress the moment and the work when the country of the cou

take action thereon, I venture to solicit a corner in your next number, to suggest to the Midland of Canada bondholders the propriety and advantage of the control of the c tage of an amalgamation with the Grand tage of an amalgamation with the Grand Trunk. The Midland, from its geoposed Canadian Pacific, just as the Northern of Canada is that of the Great Western, both meeting at the castern end of Georgian Bay (Lake Huron). A glance at a recent railway map of Canada shows a line of railway, either com-Terms, \$1.50 in Advance. pleted or in progress, from Halifax to the eastern end of Georgian Bay, out the Trunk and Midland. This line, I put the road in perfect condition. Mr. Murton's estimate can be contirmed by believe, is now all narrow gauge, the Midland having adopted it to assimi-late itself to the Grand Trunk. It folany person who goes to Canada, and who will be able to satisfy himself that lows, therefore, that it is to the advanimmediate access to the northern shore 6 per cent on the share capital I am of Lake Huron and the proposed Canapared, if any gentlemen will call upon must run along that shore. Now as me, to show that we were unable to pay to terms. I would suggest a converdian Pacific, which for obvious reasons ly round, "I hope those accounts are not speak to him; he called in one of hope that if you will aid us we shall gage bonds with two per cent. drawshares into ordinary stock, at certain The doubt, thus given utterance to bianched even the cheeks of Arthur.

"Willyou tell me your business here?"

"Hear, hear.) The arrangement which we propose is the suspension of draw-debenture stock, and I have no doubt ing for sinkingfund redemption for three others would be only too goad to do the same. But supposing only a working same. But supposing only a working land would derive considerable beneut and there can be no doubt that an al liance with the Grand Trunk would materially facilitate any operation bonds, on which the interest for two ry out in order to complete its extenyears would amount to £39,600; £60, sion westward. It strikes me that the (100) second mortgage bonds, on which present time is especially propitious

the fire, his tools, worth 875 and a silver watch worth \$25. Mr. McAlpine

ber in the panic year, and the next year tors who bought out the Company in mo, an article appeared from your Bidan additional 6,000,000. Under these London, said that as far as an Act of sover correspondent in which he makes circumstances we were unable to provide the funds for the interest, and it becomes my duty as one of the Directors and the President of the Company, to come over to lay before you the facts concurrently.

London, said that as far as an Act of the unique and that as far as an Act of the circumstances we were unable to provide the facts and that as far as an Act of the unique and ungrateful attack upon the School Trustees here. Now allow me to say in answer, in behalf of the vantage of another. They must act trustees, that action on the part of the come over to lay before you the facts. A SHAREH LDER. - Were the bond- of the Methodists in this place to disperty you hold is perfectly a good one, holders entitled to deal with the net continue the use of the school house perty you hold is perfectly a good one, and to make some proposition to you by which we can finally be able to get sufficient money to finish the line, and thereby be enabled to make the payment of our interest a certainty. Besides the first bondholders, there were certain gentlemen in London who, having made advances to the Company, had to take part of the second mortgage bonds. These gentlemen, partly at my holders entitled to deal with the net continue the use of the school house was entirely brought about owing to the misconduct and impertinence, very like intention, the mortgager is in a position and others, year after year, for the past eleven years' occupation of the second bondholder's money found its school house, so there is no need for your correspondent to pretend to say way into the pockets of the Company that bigotry was the cause. Therefore a bonds. These gentlemen, partly at my suffer for him!"

"Were it traced home to him, it might be the whole family's ruin, for my father would inevitably lose his place. He might lose it were only susplace. He might lose it were only susplace. He might lose it were only susplace. I must screen him. Can alternative. I must screen him. Can be alternative bonds. These gentlemen, partly at my can be dith, as he passed her, terrifying the old servant with his pale, scared face. But he neither heard nor answered; he was in a critical position. We have built to them, in an under-tone. "Do not help seeing that the undertaking was in a critical position. We have built to them, in an under-tone. "Do not help seeing that the undertaking was in a critical position. We have built to them, in an under-tone. "Do not help seeing that the undertaking was in a critical position. We have built to them, in an under-tone. "Do not help seeing that the undertaking was in a critical position. We have built to them, in an under-tone. "Do not help seeing that the undertaking was in a critical position. We have built to them, in an under-tone. "Do not help seeing that the undertaking was in a critical position. We have built to them, in an under-tone was in a critical position. The revenue of £17,104 for eight months and were to stop building now, w sternative. I must serveen him. Can you be firm, (Constance, when you see mac disturbance, to alarm my mother."

Constance leaned her head upon her hand, wondering whether she could be firm in the cause. But that she knew where to go for strength, she might have doubted it, for the love of right, the principles of justice were strong within her. "Oh! what could possess him: Arthur, is there not a loophole, not the faintest loophole on the faintest loophole on the faintest loophole on the faintest loophole of the fai Begs to inform the inhabitants of Lindsay and Victoria County than he has commerced the manner seture of County than he has continued and the County than he has a large and the County than he has present the say of the county of the county
