GOOD TEMPLARS—NEW SCHOOL HOUSE—ENTERTAINMENT.

Correspondence of The Post.

An open meeting of the I. O. G. T. was held in the school house known as the Ditch, on Friday evening the 11th inst. The programme consisted of singing, reading, recitations, and speeches by Messrs. McCallum, Gardiner, Wilson and Robinson. The proceedings were interesting and profitable and all departed to their homes at a seasonable hour.

The new school house on the 14th Concession was opened for school purposes on the 18th inst. It is a good substantial building, and reflects great credit on the builder, Mr Staples, of Fleetwood. Mr. Crawford, the popular teacher, was assisted in the examination of the school by the Revs. J. C. Wilson and Davis. Also by Mr. Hickson, teacher. The examination reflected great credit upon him. We are pleased to learn that he is to remain another year. After the examination was over, Mr. Hickson was voted to the chair, when those present were entertained with singing, recitations and speeches by Revs. J. C. Wilson and Davis. The whole premises when completed, will be very comfortable and reflect great credit upon the friends of education in that section.

The Methodists of Lifford are to have a grand entertainment on New Year's Day, in the town hall. No pains are to be spared to make it one of the best of the season. The programme is to consist of refreshments, readings, recitations, short speeches interspersed with music, vocal and instrumental. *Salis sapienti.*

BETHANY.

MISSIONARY ANNIVERSARY—BRANCH BIBLE SOCIETY—CHRISTMAS.

Correspondence of The Post.

The Methodists held their missionary anniversary here on the 13th and 14th inst. The Rev. Mr. Andrews preached an effective sermon on Sabbath evening. The annual meeting was held on Monday evening. After being opened in due form, Mr. Hamilton was voted into the chair, and after making a few good remarks called upon Rev. C. Shaw to read an abstract of the report for the past year. Suitable addresses were then given by the following rev. gentlemen:—Orme, Wilson and Andrews. The meeting was very much enlivened by the choir which discoursed appropriate music during the evening.

The annual meeting of the Bethany Branch Bible Society was held on Friday evening, 18th inst., in the Presbyterian Church. The chair was occupied by the president of the society, Mr. Josias Wilson. After devotional exercises by the agent, Rev. John Breden, the President made a few pertinent remarks and called upon the Rev. J. C. Wilson, who addressed the audience for a few minutes upon the origin, object, authority and opposition of the Society. The agent was then called upon and gave a very lucid and interesting speech, showing what the Bible is doing for Ireland, France, Spain, Italy, and noticed the origin and present position of the British and Foreign Bible Society. He also gave a brief review of the Upper Canada Bible Society. He complimented the Branch in this place, stating that he found it in the most healthy condition of any he had visited.

The Sons of Temperance are to hold a soiree here on Christmas Day.

OMEMEE.

ACCIDENT—ORANGEISM—MISSIONS—MUNICIPAL ELECTIONS—CHRIST CHURCH.

Correspondence of The Post.

Mr. Valentine Best, of Mt. Pleasant, was so severely injured while threshing at Mr. Moore's, on Thursday, that amputation of the right arm was necessary. The operation was performed by Dr. Kincaid, of Peterboro.

The officers of L. O. L. No. 114, Omemee, elected for the ensuing year are:—W. M., Wm. Adams; W. D. M., Wm. Neill; Chap., F. J. English; Sec., John Shaw; Treas., W. H. Lang; Committeemen, Jas. Toole, Jas Johnston, John Davidson, John Sanderson, Wm. Johnston.

What with unfinished station, unfinished Lock-up, unfinished Town Hall job, and other unfinished matters, Omemee has her hands full.

Missionary services was held in the New Connection Church, Monday evening. The Rev. H. Wilkinson addressed the meeting ably upon the new relationship of the New Connection Church in missionary enterprise.

Messrs. Matchett, McNeely, Thornton and others are mentioned in connection with the Reeveship.

The new cellar around by Christ Church congregation is finished, but has not yet been taken over by the contractor.

The Orange Young Britons give a concert on Christmas Eve.

Our Temperance friends are looking out for temperance men as Councillors next year.

The Y. M. C. A., lately organized, does not appear to be in good health.

"Mr. McQ., who is Minister of Justice?" "I really don't know," answered McQ., "I hardly know one from the other." He reads the *Warder*.

Messrs. Scribner & Son, of Mill Point, have given two hundred cords of wood for the benefit of the poor of Napanee.

SPECIAL NOTICES.

BENGER'S.—EPPS'S COCOA.—GRATEFUL AND COMFORTING.—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills." *Civil Service Gazette.* Made simply with Boiling Water or Milk. Each packet is labelled—"James Epps & Co., Homœopathic Chemists, London."

MANUFACTURE OF COCOA.—"We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London." *Cassell's Household Guide.*

A WORLD IN TROUBLE.—The world is in trouble, nations are convulsed; thrones are trembling; governments are agitated; people are excited, and the whole social organization of civilized society appears to be sensitively influenced by something approximating to a great change; now for nervousness there is nothing like the "Canadian Pain Destroyer," which also cures rheumatism, neuralgia, tic douloureux, cramps and pains in the stomach, &c. Price 25 cents per bottle. Sold by all medicine dealers.

TWO QUESTIONS EASILY ANSWERED.—Why should men wear beards? Because they are a great protection to the throat and lungs, and add much to their personal appearance. Why should we use "Bryan's Pulmonic Wafers?" Because when used for coughs, colds, tickling in the throat, hoarseness, &c., they act like a charm. Ministers and lawyers use them, physicians recommend them, and singers and public speakers say they are the very best medicine in existence for the cure of such complaints. Sold by all medicine dealers, at 25cts. per box.

DR. WHEELER'S COMPOUND ELIXIR of Phosphates and Calisaya is called a CHEMICAL Food and NUTRITIVE TONIC because Phosphates enter into the formation of every solid and fluid of the body, and are essential to the development of the tissues and the generation of nerve power. They promote a good appetite, aid digestion, create pure blood, and supply the waste going on in the system as the result of mental and physical exertion. Being combined with Calisaya Bark, the chief reliance in all febrile, prostrate conditions, it forms a combination of the highest intrinsic merit, and will restore to health more cases of general debility than all other medicines in existence. It is incapable of injurious results under any circumstances.—796-9

TO OWNERS OF HORSES.

It is a well attested fact confirmed by the experience of thousands that "Darley's Condition Powders and Arabian Heave Remedy" for horses is superior to anything of the kind now or ever known. We know that it has been used in many cases where the horse has been considered almost worthless, with the most satisfactory result, the horse having been restored to perfect soundness or so much benefited that the complaint could scarcely be observed.—Many such horses have afterwards been sold for from $50 to $100 more than they would have previously brought, and were well worth the difference; let all interested consider this. Remember the name, and see that the signature of Hurd & Co. be on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

A REPRESENTATIVE AND CHAMPION OF AMERICAN ART TASTE!

Prospectus for 1875—Eighth Year.

THE ALDINE,

THE ART JOURNAL OF AMERICA

ISSUED MONTHLY.

"A Magnificent Conception, wonderfully carried out."

The necessity of a popular medium for the representation of the productions of our great artists, has always been recognized, and many attempts have been made to meet the want. The successive failures which so invariably followed each attempt in this country to establish an art journal, did not prove the indifference of the people of America to the claims of high art. So soon as a proper appreciation of the want and an ability to meet it were shown, the public at once rallied with enthusiasm to its support, and the result was a great artistic and commercial triumph. THE ALDINE.

THE ALDINE, while issued with all the regularity, has none of the temporary or *timely* interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light, and graceful literature, and a collection of pictorials, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to the friends the real value and beauty of THE ALDINE will be most appreciated after it is bound upon the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possessor of a complete volume can not duplicate the quantity of fine paper and engravings in either shape or number of volumes *for less than five times the cost*; and then there is the chromo besides!

PREMIUM FOR 1875.—Every subscriber for 1875 will receive a beautiful portrait, in oil colors, of the same noble dog, "Man's Unselfish Friend," whose picture in a former issue attracted so much attention.

Besides the chromo, every advance subscriber to THE ALDINE for 1875 is constituted a member, and entitled to all the privileges of THE ALDINE ART UNION.

The Union owns the originals of all THE ALDINE pictures, with other paintings and engravings, are to be distributed among the members. To every series of 5,000 subscribers, 100 different pictures, valued at over $1,500, are distributed as soon as the series is full, and the results of each series so made, are to be published in the most exacting terms of THE ALDINE. This feature only applies to subscribers who pay for one year in advance. Full particulars in circular sent on application embracing a sketch.

TERMS.—One Subscription, including to THE ALDINE one year, the Chromo and the Art Union, $10 per annum, in advance. (No charge for postage.) Specimen copies of THE ALDINE, 50 cents.

Two cannot win, however, as commission only by subscription. There will be no reduced or club rates; each for the subscriptions must be sent to the publisher direct, or hereafter to the local canvasser. Specimen copies for the purpose, except in cases where the intimate signature of known parties, President.
