put down for a thist's, "attered Roland. Old Calloway's a trump! Here's your place, Arthur Arthur did not take it. If a had seen from the window the approach of Mr. trailoway, and delicacy prevented his seaming his old post until hade to do

naming his old post until hade to do so. Mr. (authors) came in, and more toned him this his own room. "Arthur Channing," he said, "I have noted lemiestly in this impleasant mat-ter, for you father's sake; but, from my very hourt. I believe you to be guilty." "I thank you, sir," said Arthur, "for it that and all other kindness. I say not

with many oxiguration of the bearing migration of four innecessity for our give me no peties we are no net to inner in the property of the pro and most mustisfactory manner in which you have met this charge yes. To retain you here would be unjust to

To retain you here would be unjink to my over interests, and unfair as regards. Junkina and Roland Yorks."

To give this explanation was inspectable; neither deed Arthur anapet possible; neither deed Arthur anapet the complaned by his innocence. Once convince Mr Galloway that he was not the guilty party, and that gentleman would forthwith iman fresh instructions. It is that the further invanions. to Butterby for the further investigaavineed. He could only be silent Then I had better you would wish me, pushaps to go at once," heat-

You," shortly replied Mr. Gallo-He spoke a word of favowell, which

Ms tistlowey replied to by a mot, and well into the riout office. There he began to collect together cortain trifles. that belonged to him. "What's that for!" asked Roland

"I am going," he replied.
"Group" round Roland, jimping to his foot, and dashing down his pen HARPER'S MAGAZINE. full of ink, with little regard to the deed he was copying, "Galloway has never turned you off"

Tuen I'll go too " thund red Roland, who, truth to say, had flown into an incontrollable passion, startling Jon-kins and arousing Mr. Galloway. "The not stop in a place where that sort of injustice goes on ! He'll be turning me. out next! Catch me stopping for it!"

The question proceeded from his master, who came forth to make it. Reof turned to him, his temper unsub-

It is not just to turn him away Did you help him to take it, pray, that you identify yourself with the affair ded Mr Galloway, in a cypical tone. And Roland answered with a hot and

moss a little better, you will get your dis and from me, you won't require to

some for taking up a cause of oppress "A Compt a period theroxy of the Times." murbroid Mr. Roland Yorke, as "A Compt a period theroxy of the Times. sullenly resumed his place at the

CHAPTER XXVII. A PIKER OF PREEKRHMENT.

Refere the min day's wonder, which, cut of all marvils, had died away, Helatonleigh was fitted to be satemished by another piece of mws of a different nature the profesment of the Reverend

had been anticipated for him; otherwise,

the news had been nothing extraordin ary, for it is o intomary for the deen and ter to provide livings for their minor concern in a fine, open part of the town was a clearer of buildings, collect Bazaldon's Charity, so named o to founder, See Thomas Ibraidon a large, paved melosure, fenced in by ide, right and left, for sixteen sline ton gates, stood the dwelling of the haplain to the charity, a superior restcoment, worth three hundred pennels a had been for anne weeks vient, the Captain having died It was in " wift of the present barenet, Sir Fredwith Hazeldon, a descendant of the It upon the Reverend William Yorks It took Helstenleigh by surprise. It took Mr Yorke humself entirely by surprise. It took Mr Yorke humself entirely by surprise. Prospectus for 1875 — Eighth Year. FUNK ever with Sir Frederick and had what. ever with Sir Frederick, and had never cast a thought to the probability of its motive for bestowing it upon him was bourhood looking out for something good to drop to them, Mr. Yorke had

good to drop to them. Mr. Yorke had been nearly the only one who had not adjected it of Sir Fraderick.

Its comme was none the less welcome. It would not interfere in the least with the duries of preferment of his minor canony, a minor canon had once before held it. In short, it was one of those slices of luck which do sometimes canon mexpectedly in this world.

In the soft light of the summer overlang, Constance Channing about under the coder free. A fine old tree was that, making the boast of the Channing's garden. The ann was setting in all its gorgoons broady, clouds of orinson and purple if orled on the borizon, their cold diges developing the east light. jumple floated on the borison, their sold edges dozeling the eye; a resease has pervaded the stmosphere, and lighted with its own leveliness the sweet face

of Constance. It was an evening that see mod to speak peace to the soul sewould it have spoken to that of Con-Another tremble was felling upon her, distley concerned herself. Since the disagrace had come to Arthur. Mr. Yorke had been less frequent in his visits. Some days had now elapsed from the time of the dismissal from Mr. The Union conthe originals of all The Albert from the time of the dismissal from Mr. The Union conthe originals of all The Albert from the time of the dismissal from Mr. The Union conthe originals of all The Albert from the time of the dismissal from Mr. To the Union conthe originals of all The Albert for the max have arisen from accidental error have arisen from accidental error maximum, but topsisson which, with other printings and engraving of the Albert from the first had been formed for the Albert from the first part of the Albert for the printing in her heart.

Hark' that is his ring at the half-spike to cheerf each printing at the formed for the Albert for the printing of the Albert from applies to cheerf each printing at the formed for the Albert for the first part of the Albert from the Albert from the first part of the Albe

bell. Constance has not listened for bell. Constance has not listened for and lavel that ring so long, to be missing the form of the result of the source of the state of the source of the state of the source of the state of the source of the states, and she contains those for the states, as lears them footstops approaching, warming her life blood, quickening her polace; the rose has on her face deep- one to orinson, as she turns it towards bin She knows nothing yet of his appointment to the Hazeldon chaplainey; and Yorke has not known it himself

two hours.

He came up and laid his hands upon her shoulders playfully, looking down at her. "What will you give me for some news, by way of greeting, Con-

"News." she answered, salaing her eyes to his, and searcely knowing what she did say, in the confusion of meeting him, in her all-conscious love, "In it good or bad ?" "Helstonleigh will not call it good, I

"Teletenleigh will not carried action of the carried and there are those upon whom it will tall like a thunder-clap."

"Full it me, William, I cannot unes, "she said, somewhat wearily. "I BOB-BLEIGHS.

suppose it does not enpose me." (10 BE COMPLETED.)

Two daughters of Mr. A. Shears Two daughters of Mr. A. Sheaver, near Hastings, were lately found dead in their heat. An inquest was held by for Fife, and the following verdies rendered:—"That Magness Rheaver died of internal homorphage after being delivered of a male child. The jary heing of equators that if medical accordance land been obtained in these; this
