to dute, \$500,009 56; Year previous, \$550,100.85;
Decrease \$16,607.38. The Leople's Candidate. THE CASH SYSTEM.

It is sourcely necessary at this stage of progress and enlightenment to undertake to prove the very considerable advantages of the CASH STSTEM as compared with the CREDIT SYSTEM of doing business; because all admit that the former is vastly superior. By the cash system without fail, and consequently he is actually much better of with smaller profits than he who gives long oredit and charges heavy profits.

The Muanus Man we have heard of for one time value I laiding law week. He drive a desting team at a most furious speed, quite regardless of persons walking over the crossing, and did not slacked pass until the had nearly run over a little girl with a tasked of appear and only there is jump out and gather up a few that she had dropped, and pocket them. and our distorers will resp from the change benefite as decided as our own. We ask a careful consideration of the following, from the circular of a west-ern merchant, which so high an author-

ment out the first owner. We are a covered to considerable as decided as one owner, to the construction of the first proper of the covered to men, which makes it invely in the woods in the winter. Wages are lower this season than usual.

We have no school or church yet, but in a few years it will be quite different. The Methodists had a missionary meeting here on Monday evening, the 18th of this month. The Rev. Mesure.
Buchanan, of Millbrook, and McCullooh, of Woodville, made splendid speeches for the missionary cause. We hope the Methodists will remember we want a missionary and they must not forget us.
