bourg and other places, to lay before

Quebec that her convicts should no to accept both of the resolutions, and the handsome private dwellings and Quebec that her convers should be longer be sent to the Kingston Penetentiary, and it was, therefore, proposed to erect a Provincia: Prison at St. Vincent ble, of Cobourg, being chosen to speak the river, has increased from a thought of the recomment, Mr. bumble, of Cobourg, being chosen to speak the river, has increased from a thought of the recomment. de Paul. Now, there was a fine quarry for the deputation.

near the sight belonging to one Auclaire, The delegation met the Premier in sand to seven thousand people. A who had so influence with the Govern- his office Saturday morning at 10 ment or Mr. Langevin, the Minister of o'clock. The spokesmen, Messrs Tur
Mayor Rochester, from whom it takes Public Works. But there was one ner and Dumble, presented their case its name. A grand hotel and an opera Canadian 205t. Lemay who had. He exchanged a piece very clearly and in the strongest possi- house are now the principal "wants;" of property with Auclaire. This was ble manner. The Premier replied to and then the capital would be worthy of property with Auclaire. This was valued at \$9,000. Theroupon the former entered (!) into negociations for the sale of the quarry to the Government but, not being successful, "approached" the proprietors of La Mineral, through supporters of the Tories, and besonght their influence. These men, Danserean and Duvernay, who were at the bottom of the Land Swap Swindle, entered into understanding that which were not likely to be required tion, along the north shore of the Ottors, along the north shore o they were to have one-sixth the net profits. Mr. Langevin took charge of the scheme; this was in 1872 just before the general election, and he sent a telegram, partly in cypher, to lansereau to show Lemay, who thought he was being treated in an underhand way. This telegram, which was plainly of the black mail spaces and "Lemay ought" the interest. In the constructed the tawa; the Cotean Landing, affording the inestimable advantage of closer connection with famed Glengarry; then intended to utilize the water communication in conjunction with links of rail-way that is they would use the water conveyance where it was practicable, and rail where it was not, filling in the quarter. The construction of the Ontary of the University of the University of Ottawa is very pro-This telegram, which was plainly of the black-mail species, said, "Lemay ought to be satisfied, let him give you \$2,000." This was the reading of Dansereau, who alone knew the key to the cypher. Lemay was told the cash was to be used as bribery funds, and would be a claim on the Government they could not resist, but he refused to subscribe to it, though he subscribed to it. Cartier's election fund. When asked what he would sell the quarry for, he demanded \$28,000. This was refused, but he afterwards made the sale at a great advance. Senttor Bellerose, another Tory, is also implicated in the sale. but he afterwards matter the sale at a great advance. Senator Relierose, an other Tory, is also implicated in the sale of a piece of adjoining property at an unjust valuation. The Committee at Ottawa are engaged in string up a mass of garbage, which, while disgnating the Reform members, is horrifying to the Tories, who are crawling in a sink of peculation and trand, with which falt themselves aggrieved because he session. So prompt and energetic have the tide water of the Pacific to the been ministers that little time has been insisters that little time has been insisters that little time has been insisters that little time has been ministers that little time has been insisters that little time has been insisters that little time has been ministers that little time has been insisters that little time has been distance of the purely local nature of the and there is a general complaint of high pressure and over work. Committee from the state of the Assinboine, who had spoken, he would mention that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon that a few days ago he was waited upon the few days ago he was wa
