'No, no; I mean works of things of 'My name's Smith,' I said, taking out a screw-driver. 'My machine; how does it go? Thought I'd come and see.'

Her face lit up in a moment and the fac

A township celebrated for its fall wheat. The land is rolling and the soil a clay loam. There is on the farm a splendid spring of water. Adjoining the lot there are two churches and a school house. erms, easy. Address, S32-spd. J. W. MINTHORNE, Orillia, Ont.

back feeling like a new man, so re-freshing had been that bit of work. something would come.

Well, so you did,' I said; 'but me speaking, something is rather small. But the very next day—as we were living in the midst of people who were fast taking to sewing machines—if the folks from the next house didn't want cobble and tinker machinery without

putting people to the expense that makers would, if the jobs didn't come in so fast that I was obliged to got files -regular set of tools—by degrees, and at last I was as busy as a bee from morning to night, and whistling over my work as happy over that by buying a new wheel

a machine of a man who was tired of

nd with those being repaired up stairs the premises, while if any body had told me fifteen years ago that I should be doing this I should have laughed at

plaining the machine to a customer?
That's Ruth, that is. No, not my daughter—yet, but soon will be. Poor girl, I always think of her and of the ame time.

Curious idea that, you will say, but

already.'

At last I got in such a way that I I'll tell why.

In our trade we have strange people

to deal with. Most of 'em are poor, and can't buy a machine right off, but You won't believe me, perhaps, but

with them and I never see that again.

Many a one, too, that has disappeared like that I do see again—perhaps have it brought here by some one to be repaired, or changed for a bigger, or for one by a different maker; for if you look round here you'll see I've got all kinds—new and old, little domestics, and big trades—there! you name any maker and see if I don't bring you out one of his works.

Well, when I ask one of these people where they got the machine—for I always know them by the number—it turns out that they've bought it

grown unfeeling.

Well, at last, what did my boy Luke do but my and half its love with the daughter if a poor-decayed gentlewo-man; saw her a sewing machine on

pretended not to notice it.

For something like a new revelation had come upon me. I knew Luke she, a lady by birth, should come down to such a life, making for me—well, no, by to me, and here was I waking up to the fact that he was a grown man, and that he was thinking and feeling and that he was doing well.

The sorrow was freah, but spring and summer now.

Why, bless her! look at her, I've felt ashamed sometimes to think that had got on a spree in some of the low groceries in Peterborough, where he had lost all his pay, some \$120, the fact that he was thinking and feeling and that are well calculated to secure the beautiful of a popular verdict. He

I lay back thinking and telling myself I was very savage with him for deceiving me, and that I would'nt have
him and his mother laying plots together against me, and that I would'nt
stand by and see him make a fool of
himself with the first pretty girl he
set eyes on, when he might marry
Maria Turner, the engineer's daughter; and have a nice bit of money with LOCAL MISCELLANY. ter, and have a nice bit of money with her to put into the business, and then be my partner.

"No," I says, "if you plot together I'll plot alone, and then Lesstended to wake up, took no notice and had

my supper.

I kept rather gruff the next morning and made myself very busy about the place, and I dare say spoke more sharply than usual, but the wife and Luke were as quiet as could be; and about twelve I went out with a little oil-can and two or three tools in my

and on getting to the right house I asked for Mrs. Murray and was directasked for Mrs. Murray and was directed to the second floor, where, as I reached the door, I could hear the clinking of my sewing machine, and whoever was there so busy over it that she did not hear me knock, so I opened the door softly and looked in upon as

in her chair, the widow lady who came about the machine, and I could see that in the face which told plainly enough that the pain and suffering she must have been going through for years would soon be over, and situa-ted as she was, it gave me a kind of

'It is no business of yours,' I said to myself roughly; and I turned then to look at who it was bending over my figure in rusty black; and a pair of busy white hands were trying very hard to govern the thing, and to learn

JOHN McINNIS, Kirkfield P. O.—S36-ibd.

"Come in 'I said, and a fellowwhen there was a knock at the door.
"Come in 'I said, and a fellowthe girl started, turned round, and Started are the said, and a fellowladger put in his head.

"Ah, Luke, my boy, you've
say—"
I got no further, for at that moment
the girl started, turned round, and Started are the said, and a fellowladger put in his head.

'I wish you'd come and look at this sewing-machine of mine, for I can't get it to go.'

Sewing machines were newish in those days, and I got up to have a look at it, and after about an hour's fiddling about I began to see a bit the reason why—the purpose way know it a gentle, timid way, the little witch

reason why—the purpose you know, of all the screws and cranks and wheels:

I found out the purpose you know, of all the screws and cranks and wheels: two hours helping her, till her eyes sparkled with delight as she found out how easily she could make the needle dart in and out of the hard material.

spite of myself, for I felt sure it wasn't

starting in her pretty eyes; 'but she added, brightly, I shall have enough with this to get her good medicines and things she can fancy; and as I looked at her, something in me said: 'God bless you my dear! I hope you will;' and the next minute I

over and over again to Bennett's place: made and taken there. I often used

no notice; and that artful scoundrel, my boy Luke, used to pay the half-crown every week out of his own pock-And all the time I told myself I didn't like it, for I could see that Luke Next week I sold it at a good pro-Bought another and another and was changed, and always thinking of that girl—a girl not half good enough

and money in exchange for new ones, and one way and the other became a regular big dealer as you see.

Hundred? Why, new, second-hand and with those in the second-hand wife, and feel very bitter. knew there was something wrong. The wife had gone out directly after dinner, saying she was to see a sick woman —I knew who it was, bless you!—and Luke was fidgeting about, not himself, and at last he took his hat and went

out.

'They might have confided in me,' I said bitterly, but all the time I knew that I wouldn't let them. 'They'll be spending money—throwing it away. I know they've spent pounds on them

At last I got in such a way that I called down my foreman, left him in charge, and took my hat and went after them.

Everything was very quiet in Bennet's place, for a couple of dirty, dejected-looking women—one of whom was in arrears to me—had sent the children that played in the court right away because of the noise and were

I could not see very plainly, for there was a mist, like, before my eyes; but I know Luke flushed up as he took

But there was no need, for something that wasn't me spoke, and that in a very gentle way, as I stepped forward, raised the girl up and kissed her pretty face before laying her little helpless head upon my shoulder and smoothing her soft, brown hair.

'Mother' says that something from within me, 'I think there's room in the nest at home for this poor, forsaken little bird. Luke, my boy, will you go and fetch a cab? Mother will see to what wants doing here.'

My boy gave a sob as he caught my hand in his and the next moment he did what he had not done for years—kissed me on the cheek—before run-

sun, and let me tell you there is many NORTH VICTORIA AND HALIa gentleman not so well off as my boy will be, cream if the money has all come out of a queer trade.

Judge Gwynne will give his decision on the 6th of October. The respondent is Mr. J. M. Ferris, elected last January to the Ontario Legislature, and is a Reformer.

Droceeded to Cameron where at 7.30 quisition he has made, and the country upon securing the services of a spirited missionary meeting was held, addressed made and the usual business transacted. The following morning, Tuesday. Sept 14 the 2 morning.

KILLED BY THE KICK OF A HORSE.—
An esteemed farmer of Mariposa met with his death last Thursday afternoon in a very sudden way, and under distressing circumstances. John Clarke, a brother-in-law of our worthy Deputyabrooks and the scarce ly fordable condition of the river (the new bridge being in course of constructions and the scarce ly fordable condition of the river (the new bridge being in course of constructions). [Correspondence of The Post.] Reeve, was ploughing in the field, and it is supposed something must have gone wrong with the traces and that on going to fix them one of the horses kicked him on the head killing him.

The services were opened by Mr. M. W. Minthorne coming forward on behalf of the trustees, and with considerable and supposed something must have going to fix them one of the horses kicked him on the head killing him. The team was noticed by many standing in the field, but no one thought of any accident. Not coming home in the evening search was made and the unn accordance with the circumstances.

Deceased came from the township of Darlington about a dozen years ago and was highly esteemed. He was about 45 years of age.

ONTARIO COUNTY. ROBBED. - Mr. Erastus Howard, I got no further, for at that moment the wind and a fellow-odger put in his head.

'Are you good at works,' Mr. Smith'' ace, that made my heart give a queer throb, and I couldn't take my eyes off her.

'What works?' I said; 'fire-works - gas-works?'

'No, no; I mean works of things as to saw it was tim and cose with wheels and springs.'

'Middling,' I said, for I was fond in pulling clocks to pieces and trying oin vent.

'I wish you'd come and look at this ewing-machine of mine, for I can't get to go.'

Sewing machines were newish in Sewing started, turned round, and Sheriff's bailiff, went to bed on Satur-day night in his house, Whitby, have the bed on Satur-day night in his house, Whitby, have the with a corresponding week-day cot tage lecture at Head Lake, six miles semi-monthly Sunday service, connect-day in the semi-monthly Sunday service, connect-day night in his house, Whitby, have the with a corresponding week-day cot tage lecture at Head Lake, six miles west. The deputation had hoped to have much th

are forming the McGill Mfg Co., with a capital of \$30,000 to carry on the general work of the Hall Establishment, the latter going exclusively into the manufacture of "Champions."

Agresses on the subject of missionary enterprise and responsibility were delivered by the Rev. Messrs. Burt, of general work of the Hall Establishment, the latter going exclusively into the manufacture of "Champions."

Bishop Carman then took for his text Gen. III., 10, "And he said I heard Thy voice in the garden, and I was afraid, because I was naked, and I hid myself."

Men, he said, have disthe manufacture of "Champions."

Big Work.—On Thursday, says the Oshawa Vindicator, Mesars. A. Leddingham and Frank Coleman threshed for Mr. E. B. Morgan 116 measured bushels of barley in one hour. This is the champion work of the season. THE CANADIAN LAND AND

Rural Deans Smithett and Allen and T. Walkman who would not, knowingly, be guilty of an illegal or wrong act, for any reward, or under any influence; but in this they failed also.—Exam-The Lakefield News gives some additional particulars concerning the poisoning of his lady by taking toadstools for mushrooms:—"Instead of living at Jack's lake all summer, as was pub-

at Jack's lake all summer, as was published last week, Mrs. Sharpe had but recently moved there. The mushrooms that were actor. rooms that were eaten were gathered by her husband on Monday, and were ertaken of by the family at dinner that day. Nothing more was thought about it, as the same thing occurred the week previous, with no serious conform that played in the court right away because of the noise, and were keeping guard so that they should not come back.

I went up stairs softly, and all was very still, only as I got nearer to the room I could hear a bitter wailing cry, and then I opened the doer gently and went in.

Luke was there, standing with his head bent, by the sewing-machine; the wife sat in a chair, and, on her kness. taken with vomiting as if poisoned. Antidotes being at hand, they were day and Friday morning, when she died, she felt quite relieved, and no fears were entertained by her husband and friends. Mr. Sharoe informs us that he had eaten freely of the mushrooms himself, in fact more so than his wife, but has recovered entirely. It is his originar that some regionary are responsed to the service of the Legislature. his opinion that some poisonous toad The matter of his speech on the above stools had been picked with the mushoccasion shows him to be intimately rooms, which was the cause of the sad acquainted with the whole range of subjects coming within the purview of the Sr., although quite sick for some time,

GAME PROTECTION .- On Saturday GAME PROTECTION.—On Saturday
Mr. G. B. Sproule was charged before
the Police Magistrate by the County
of Peterborough fish and game protective society, with hunting deer and
having venison in his possession during
the close season. It appeared from
Mr. Sproule's evidence that some of
the party had hunted on the 31st
August, but he had not taken part in
the hunt. A deer was brought into
camp that evening, and was divided
purpose. While he informs, he intercamp that evening, and was divided the next morning, Mr. Sproule taking a hind quarter. He was fined \$10 and costs for having venison in his possession. On Thursday a similar charge while the same party were hunting and-also received a share of the venison.f He was fined \$10 and costs.

ATTEMPTED SUICIDE.—Patrick De

laney, a young man in the employ of Mr. Haziett, driving logs, about a mile from Lakefield, attempted to commit suicide, on Sunday morning week, by cutting his throat with a rasor. He had inflicted no less than nine wounds before being discovered.

arrangement and expression of his thoughts -finishing up one subject be-fore proceeding to the next, and never recurring to that which he has once recurring to that which he has once past, either to mend an expression or to supply an omission. It is difficult from the style and manner of his speech at Ridgetown to estimate his powers as a ready debator. He has evidently a full share of energy, and a manly independent manner of expressing himself; and from the range and accuracy of his information we would accuracy of his information we would judge him to be a foeman always wor-Terms, \$1.50 in Advance. thy of his opponent's steel, and ready to deal blow for blow with decided aim, and with a hearty willingness to

see his marks. Mr. Wood is a thoroughly practical man—and a man of the people in that he has been always in the country— always among the people, and at one time or other filling every office in their gift—that of teacher, school trus-CANNINGTON.

TANK-HOUSE BURNED.—The tankhouse a short distance south of Cannington, on the Toronto & Nipissing Railway, was burned on Wednesday night week. The tank-house had a pumping engine valued at \$300, which was also destroyed. Total loss, \$800, fully covered by insurance.
