3333333333 Mr. John McVicar, school teacher, Imports Inform [Adding appearant ा का असमा दुव्युव्यद्वयन्त्र A helper on the canal at Allan-, Outaris, named P. Welsh, drank whiskey why must be wes helpless, and fell down canal bank and was carried into the hull of climit House, where he a short time afters minomin/258224832 ESSESSESSES Ame

2223233333 no by Riy is rapidly progressing, and the con-closs intend forwarding it as much as possible ring the winter. They have already some-outs five miles of rails land, and trains have eachedy for the interior. where the interior Mr. C. K. idy, of East Sagipers and Control of the control of Notice is given that the corporaof the town of Brantford will apply at the
sitting of the Legislative Assembly of the
frieer of Outaris, for an act to incorporate the
the said town as a city, and for other purBehaville will follow suit. By law shell take effect on, reconstruction passing the cof, passing the cof, Passed at Lorneville, in the Township of Eldon, this 27th day of September, A. D. 1876, (Signed.) ARCHD, CARMICHAEL, Reeve,

was they might despise.

Any person wishing to appeal against any part of the above assessment is hereby notified that the collines above Pembroke progness the animals, and generally hit about correct in the matters. They judge from the habits the animals, and generally hit about correct in the matters. There opinion concurs with that the for the purpose at the concept which sees in. Others Person.

A prize was offered some weeks by a merchant in the work.

A prine was offered some weeks since by a merchant in the Eastern townships, of twenty five deliars for the best four lots of butter produced in that district. Two shorteral gentlemen, well as unifers. The results of the offer has been that thirty entries were made for the prine, and eighty two tubs were sent in to the judges, and three luties from the township of Barnston the second luties from the township of Barnston the second luties from the quality of Canadian butter, and we shall be glad to hear of more of them.
