First P OCENTION IN LITERALY.

The distriction of the Datesce Household. The is a part of the control of the province.

First P OCENTION IN LITERALY.

The distriction of the Datesce Household. The is a part of the province with the second of the province.

First P OCENTION IN LITERALY.

The distriction of the Datesce Household the statestian of the control of the town; and the attention of property-owners and receptory of the control of the oughly. There are of course several explanations as to the failure to stop the late fire before it had selved the was writing. The Dominion of Canada was too good a customer of these most pump-house no less than thirty five minutes before a powerful stream was thrown on the fire. This is very strange. It is hardly necessary to state that the first ten or fifteen minutes at a fire is all-important. That amount of the Grand Trunk; that institution has cost this country far too much mobile desired to say this after the strength of the Grand Trunk; that institution has cost this country far too much mobile desired to say this after the event; and to seen at the time. The discussion of the Grand Trunk Rail was, asking them if it was with their was, asking them if it was with the flower on at the pump-house no tess than thirty five minutes before a powerful stream was to good a customer of these mon on the gentlemen, for them to risk offending the Premier of the Dominion of Canada was too good a customer of these most has was lost of the Grand Trunk; so that when the Directors met, occasion was too good a customer of these most have being desired that the first ten or fifteen minutes at a fire is all-important. That amount of the Grand Trunk; that institution has cost this country far too much moved to get past Manager to write down our our part an energetic protest against and the fire should not have been allowed to get past Manager to write down our our part an energetic protest against and the fire that the time. The description of the Grand Trunk; that institution has control the fire transfer to the transfer to the time. The fire transfer to the transfer to the time was vising. The Dominion of Canada was too good a customer of these mon to get gentlemen, for them to risk offending the primer of the Dominion, so that when the Directors met, occasion was too good a customer of these mon to get gentlemen for the fire to so that when the Directors met, occasion was too good a customer of these mon to get gentlemen

sasier to say this after the event; and to point out mistakes which were not seen at the time. The firemen worked well when they had the streams playing on the burning building; and we do not wish to reflect on their courage or capacity. There is, however, something wrong, and we think it is due to the word, and we think it is due to the travel out of his way to asperse the character and motives of men who are the high time.

The St. Thomas Home and "Big Push," he now occupies; from Mr. 5.

PETITIONS.

The CLERK read petitions from the following: from John Hallam, charman of Special Commutation of the judicial proprieties, and to travel out of his way to asperse the character and motives of men who are character and motives of men who are the high time.

The St. Thomas Home playing and an absence of the Fire Brigade position as Chief Engineer of the Fire Brigade and the new occupies; from Mr. 5.

The CLERK read petitions from the following: from John Hallam, charman of Special Commutation of the judicial proprieties, and to travel out of his way to asperse the character and motives of men who are character and motives of men who are the high time.

The BEGG CLAIM.

Coun. KETCHUM cubmitted the report of the country appointment of the investigate Mr. defects in one system of fire protection. we had some proper understanding in It won't do to mince matters any regard to matters of this Lind; and goes longer. Another fire just as disastrons on to enquire . "Are judges to be en may take place to-morrow, simply bemay take place to-merors, simply because there is a weak spot somewhere the freedom may or may not be sufficiently well-equipped to attain the streatest velecipity of a tatain the streatest velecipity of the third and of the control of the contro cause there is a weak spot somewhere. ter what they may say or do? tawa Free Frees on which we cording the second of the state of affairs than any other public man.

The cable despatches about the forests and the forests and the free forests and suice fold peace is certain, the Caer having to their post offices.

Cons. WINTERS said owing to the negligence displayed by Count, Fee as Chairman of the Free and Water Committee.

A regular meeting of this Presbytery took place at Cannington on the 28th of November. The attendance of ministers and suice told peace is certain, the Caer having to their post offices.

Cons. WINTERS said owing to the negligence displayed by Count, Fee as Chairman of the Free and Water Committee.

A regular meeting of this Presbytery took place at Cannington on the 28th of November. The attendance of ministers was very large. The

street watering, he not having occupied the pro-perty at the time.

On motion of Reeve RUSSELL, seconded by Coun, KETCHUM, 33.60, the amount of water tax assessed against Mr. Berry, was ordered to be re-mitted by the collector.

Coun, WINTERS submitted the report of the Street and Bridge Committee with reference to the petition of Mr. Duchane and others asking for a culvert on the boundary of King-st. and Ope, and the new sidewalk on Lindsay-st. approaching the swing bridge. The report showed that the culvert on King-st. was necessary, but owing to the lateness of the season the committee would not advise the work being done this winter. The committee recommended that the sidewalk on Lindsay-st. be built on the east side, The report passed.

FINANCE REPORT.

Denuty Reeve MODONNELL submitted the re-

distrethe magistrates, and he cascelling the fine in the cascelling. The fine is the cascelling. The fine and costs amounthouse prove a warning to pare and their children to school.

Riceve RUSSELL said Coun. Winters was in growth he said he (Reeve Russell) was one of the parties who said the drain was working satisfactority.

Market RUSSELL said Coun. Winters was in Market and December, the wife of Mr. J. A. Monton and December an Carrie, all of Ops.

et the town. He hoped if Coun. Cabill came up for re election the ratespayers would not forget this matter.

Coun. FEE wanted to know where Coun. Cabill got so much carting to do. Needler & Sadler delivered aid their plank.

A VOICE—Carting the old plank home.

My BRADY said the mill owners would not draw less than a full load of plank, and when he wanted only a few, as frequently he did, he had to get a carter and he got Coun Cabill or the first carter be met, to do the work. Frequently the did, he hard to get a carter and he got Coun Cabill or the first carter be met, to do the work. Frequently and Messra Grandell and Fee had a spite against him. He (turning to My Fee) had never got \$75 for doing nothing. (Chanbell, considered the work should have been done by the poor men who carted about town, who could not qualify for conciliors. The system of Councillors doing work for the town smelt strongly of Tammanyism Coun. FEE insested upon Coun cabill giving the number of weak editivered and dates.

Coun WINTERS coroborated Mr Brady's statement that the mill owners would not deliver less than a full load of plank and said he instructed Mr Brady's comploy a carter to draw the plank and seeders.

Mr BRADY said that the other carters would in the second control of the state of the council of the state of the council of the state TEACHER.—Male or Female for S. S. No. 3, Verulam, for 1867, holding third class certificate. Testimonials and standing of certificate, stating salary, will be received up to December 25. Apply to ALEXANDER ELLIS, Fencion Falls P. O. WM. PHILP, M. D., Physician, Surgeon, and Accoucheur, Member of College of Physicians and Surgeons, Ontario, Graduate of Victoria College, Toronto. and also of Bellevue Hospital Medical College, New York City, Office and residance, that formerly occupied by Dr. Herriman, Wellington-st., Lindsay. - 300-ly NOTICE TO PAY UP.—All par-ties indebted to the undersigned by note
