

THE NEW GERMAN LANGUAGE

It is now possible to learn the German language in a few weeks...

And this is done in our German school...

It is now possible to learn the German language in a few weeks...

And this is done in our German school...

It is now possible to learn the German language in a few weeks...

And this is done in our German school...

It is now possible to learn the German language in a few weeks...

And this is done in our German school...

It is now possible to learn the German language in a few weeks...

And this is done in our German school...

It is now possible to learn the German language in a few weeks...

And this is done in our German school...

He looked at her, and in his strong...

"Hold on," said Langley in some...

The dawn face and ungainly...

"We don't see anything like that...

"Happen it's the biggest, an'...
