and Hirsovs, crossings have been effected, and between these points and Rutschuk the grounds for believing that are long Mr. "ore be thoroughly looked after." Mr. Jenkins will go on with the work. The White was not then a Granger. He chuk the great battles of the opening campaign are expected. Meanwhile, positionee, over in the train of war, has commenced its fatal work.

Russians are down with typhoid tever:

branch of not more than four miles,

seems no doubt that the returnes and will, fore, be difficult or costly, anstained severe reverses, and will, fore, be disposed to push on noire. To Linday this undertaking will therefore, be disposed to push on more keenly to regain prestige. Later telegrams state that Russianofficial reports claim "great victories," evidently at the same places where according to Turkish despatches they have been badly beaten.

DOMINION DAY CELEBRATION IN LINDSAY.

To Lindsay this undertaking will be of great importance, and deep interest will be felt in its progress. The benefit to the country surrounding the mine would be incalculable, and developments will no doubt be awaited with feverish anxiety. We sincerely trust that at Canadian capital has not been attracted to the development of this mine our American friends will go on specific with the work, and

issued their programme of amusements for Dominion Day and all will acknow ladge it is a liberal one. It now only PAINTS AND OILS. remains for the committee having the ammoments in charge to do their part best demonstrations ever held here and judging from the energy of the young men on the committee no fears course in dealing with this important must be autorisised that their work will not be well done. A meeting of and the details of the demonstration to catch a few votes in or out of the and the grand carnival on horseback his most obsequious followers is Mr. "while a Protectionist might easily the day, was placed on a sure and safe (tirette, who has most assidnously dis- "should be imposed upon American basis.
