Prince John Ghika, who has been in England in the hope of obtaining help for Roumania in her resistance to the Russian demand for Bessarabia, is reported to have said in a fashionable London drawing-room:—"They offer us the Drobrudscha, and they call that a compensation: it is as if you offered in exchange for my watch a rattle-suake. You can well understand that Roumania cannot make war upon Russia, but she can protest; it may even be that she will fire a few rounds in support of her rights."
