such a tyrint now, when we are only in this train, and take you back to the were married."

A tyrint now, when we are only in this train, and take you back to the were married."

off your knee this very minute and and at last goes away.

I will not let me.

And at last goes away.

Malf way across the field be turns and looks at me. All unconsciously I to those books

are fossile, I say, swinging my foot. "Do not forget," I whisper, "that "Simplens will be here presently to here, where I kissed you first, I kissed you last." The dinner our wait

There is a little panse, during which I look into the red hot heart of the lire and take coursel with myself. Clearly he is not to be inauged by dignity, and I don't mean to give in Novertheless. I have no mind to sit here municiance till we turn into fessils. I I say There is a little panse, during which Il try coaxing, and soo if that will bring him to a propor frame of mind. I stool my arms round his nock and and up my month to be kessed, out he mechanically I put my hand in his and ring his face a just neverer be-

"Don't flirt with George while I am putting my head on one side to look at my smart ongagement ring of big opals and dramouds the 'pawols of alamity,' as folks say. "If you are nich a tyrank now, when we are nich."

| Darling,' he says. "I shall give."

were married "

I don't feel a bit miscrable now, or serry, or ashamed. He is talking to me, there is not a dreadful wall of silence built no bulwigen us.

Do you expect me to tell you I amplessed with you when I am not C he asks, an evely. "Would you like me that I should say it here, dear, and nowhere use."

anks, gravely "Would you like me to fin a hypecrite" Leannot say one thing and mean another, and the same with you when you are vered I should like you to speak out and have done with it."

"Yes, you will kiss me once, I say, gently: "you will kiss me once, I say, and then you will go."

And so he takes me in his arms and times. "Good-by, Tam very much vexed with you now." Law, with absertly, "I wish to got off your knee this very minute and at last some away, and at last some away.

hold out my arms to him, and he co

There is one more swift embrace. Only I can't wait for my dinner. passionate clining of hands, and he is gone; and I stand staring after him, with halting, lagging steps, and pre-sently meet George with his digs at his heels.

"Is that you, Noll!" he asks, and he had slapped me he could not have "I am going, He is gone," I say,

for he had slapped and he could not have astomated in more. "Nell," and he docks into my cyts with a vexed and strong pain in his own, "could you not better go home at one of "I am going. He is gone," I say, the cooks into my cyts with a vexed and strong pain in his own, "could you not give up your willfulness for one to please mo."

For a little space I look at him, then I ship onto of his arms and sit thou all point of his arms and sit thou he hearth size. There the hords his, marty intite toosts! How houses he, nearly intite toosts! How houses he, nearly intite toosts! How houses he, nearly intite toosts! How houses he have an applied and the posson that he pointed, and the posson that he pointed, and the posson that he work, which he have a stronglet them here I time them over with the point of my shoe, and lake as covert look at Paul, his head is turned away, thank Heaven or I could never pote them up, never A thought strikes me, and I smile to myself, as secundly up and into a chair, and lift point of the volumes between my two feet and hold it to out toward him. "I say, in a very small voice." Paul, here it is "He turns quickly, but, on seeing the fashion in which med?

First is not the way, Nell, he say, and is the fare, in comment, then I shake the blindness from my limbs, and break and hold it to out toward him. "I say, in a very small voice." Paul, here it is "He turns quickly, but, on seeing the fashion in which my offering is made, he reseats him self.

That is not the way, Nell, he say, and is the fare, of our the while, then he is the here is no one to be seen; all is blank and bare and chill. "I to ye, sind the point of the relimination of the volumes between my two offering is made, he reseats him self.

That is not the way, Nell, he say, it is not the weak of the meadow and look around, the put is not the weak in the late of the meadow and look around, the put is a strength of the meadow and look around, the put is not the weak of the meadow and look around, the put is not the weak of the mead
