THE FARMER'S DAUGHTER. Spring ruled in earth and air; breeze was soft and scented with the e, let us walk, ere day away doth wy friend said sublemly 'mid studious "Whither I do not care!"

Once there, my friend delayed:
and I, half piqued, could see his glance go roun
fetil it rested on a lingering mand,
Yho looked as hun, and then upon the ground,
And then retreat essayed.

THE QUEEN'S BIRTHDAY.

HOW IT WAS CELEBRATED IN LINDSAY. ing for want of the "National Policy. The early morning of the 24th was anything but indicative of "Queen's reather," rain having fallen for hours, but by 8 o'clock the clouds had separated and in a few hours old Sol shone forth to the satisfaction of the most forth to the satisfaction of the most loyal citizen. The stores were closed with a few exceptions and bunting was profusely exhibited, a feature not prominently noticeable on similar occasions during the past few years. From early morning till 11 o'clock the streets wore an animated appearance when a wore an animated appearance when a move was made for the Union Station to witness the Oddfellows' excursion from Whitby. The spacious platforms around the station were literally thronged. The train consisted of half a dozen coaches crowded to their utspirit and some excellent playing was a dozen coaches crowded to their utmost capacity with visitors in holiday attire, a large number of whom got of and proceeded up town whilst the others remained on the train and tomanifested at times the greatest exgether with numerous townspeople proceeded over the Victoria Railway route to Sturgeon Point Hotel to spend the day there. The reception committee of the Lindsay Oddfellows were

usual allowance at meal time. The married men with a heroism to be equalled only by their younger scions decided to take a little of the conceit out of the successful competitors and forthwith a match was arranged which endat the station and gave a warm reception to the representative visiting brethren, many of whom remained in town during the day. The Oddfellows band of Whitby accompanied the excursionists and played in excellent style a number of popular airs on the public atreets during the day. erable elders one of the most complete daughter of Mr. S. Metherell, and Mr. Elias Metherell, started for the old EXCURSIONS. The excursion on the Vanderbilt which left the wharf about 9 o'clock was liberally patronized. At the Point on the arrival of the "Victoria" and other heat the scene was a spirated on the steemed minister, the Rev. Mr. Kenner has also gone to England on business. We wish them all a pleasother boats the scene was an animated ant trip, a charming time and a safe

one. The crowd was the largest ever return.

The crowd was the largest ever return.

The crowd was the largest ever return.

New Barn.—Mr. John Dix is erect. dered her young brother and escaped him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the largest ever him in the right side, between the results of the right ever him in the right side, between the results of the right ever him in the right ever hi seen there since the hotel was built, but host Dunham succeeded in catering to their wants satisfactorily. The front of the house was decorated with the words "welcome," and the mystic chain in evergreens, which at once chain in evergreens, which at once made the Oddfellows feel at home. The visitors entertained themselves in various ways, boating, swinging, croquet-playing, &c., until the time arrived to depart for home. During the afternoon the yacht race of the Lindsay club came off as announced. The course was five miles, and the vachus are solved to advise against it, and her to contain \$4\$ pieces of timber. The afternoon the yacht race of the Lindsay club came off as announced. The course was five miles, and the vachus are constant to enter a plea of "not guilty on the ground of meanity." He was compared to a few hours later, and committed to enter a plea of "not guilty on the ground of meanity." ODDFELLOWS' PARADE

took place from the Market Square.

Owing to the rain in the morning,

Reformers of Hamilton upon the choice

Owing to the ladger which had sign the had reduced the ladger and the eccentric and uncertain tactics of the management of the household was the most fatal, nearly built the mount taken over the heads of grown up daughters by a high-spirited governess, who, after the decease of the first Mrs.

Kent, and a decent interval, became Constance Kent's stepmother. In whose case about 85 percent, of ailty and the ladger which had sign. Owing to the rain in the morning, several of the lodges which had signified their intention of being present were prevented from taking part under the impression that the day would prove wet. In consequence of this the procession was considerably smaller than was expected. It however embraced members of Whitby, on a white charger, and with the Oddfellows' band, made a pleasing spectacle. After parading the principal streets the procession disbanded opposite the drill-shed, where Root's magnificent continuents.

Mr. Kymal naving congratulated the Kent, and a decent interval, became Constance Kent's stepmother. In this position she was unwise enough to make disparaging remarks about the make disparaging remarks about to make disparaging remarks about the fund of rage and revenue-ful feeling she was surring up in the constituents more fear/lessly orefficient by than had Messrs. Irving and Wood, (Cheers.) Mr. Kymal, in referring to the Tory cry for Protection, said the was brought back: and after this she only thought of the most efficient manner of wreaking her vengeance. Sat the cause.

After parading the principal streets the procession disbanded opposite the drill-shed, where Root's magnificent continuents as something to split the Reform party and a career of misrule. If they were and a career of misrule. If they were and they themselves back to power and a career of misrule. If they were and they the depths of household misray which it denotes?

Was to be performed by one hundred amateurs, dressed in appropriate coeful manner of wreaking her vengeance. Satisfan continuents as something to split the Reform party and they themselves back to power that was brought of the most efficient manner of wreaking her vengeance. Satisfan on the procession disbanded opposition that which they form the procession disbanded opposition that which they form the procession disbanded opposition

amateurs, dressed in appropriate coefumes, under the direction of Prof.
Tanney. The hall was handsomely decorated with evergreens, patriotic mottoes and mottoes of the order of Oldfellows, and the stage was large and admirably adapted for the rendering of the cantata. The credit for this work is due Mr. E. E. Henderson, who was the designer, and to Mr.
Henry Hughes for successfully carry
thing about 1. He has never given it his attention. He has been the political leader and has entrusted these matters in turn to Sir A. T. Galt, Sir John Rose and Sir Francis Hincks. He was always gaided by their advice and accordingly went in one way one time has was a Free Trader; at another a Protectionist— ignorable with this attention. He has been the political leader and has never given it his attention. He has been the political leader and has never given it his attention. Correspondence of The Feer.

EXCURSIONS.—The C. M. Sunday School and friends are to have an excursion to Sturgeon Peint next week. The Bible Christian and M. E. Schools and friends are to have an excursion to Sturgeon Peint next week. The Bible Christian and M. E. Schools and friends will have a Union excursion a few days after, likely to the same resort.

PERSONAL.—The Rev. Brooks Lake, formerly of the Ontario Methodist Episcopal Conference, now of the Missouri, (U.S.) M. E. Conference, after an absence of ten years, is paying a visit to his friends here at present. He preached at Graham's church on Sabath last and in the evening at the C. M. Church here, and preaches next Sabbath, June 2nd, in the M. E. church, Oakwood, at half-past 2. p.m. The DEMONSTRATION.—The Reform members. Nova Scotia would some twelve Liberals out of supplyment. Wackenzie. In Ontario, it was scarcely possible the result could be uncertain. As for Hamilton and the Wentworths, he knew they were sound. Cheers.) The Reform cause was just in the shades although delighted with the creditable display every way are correspondingly depressed but of course it is the hard times, and mourning for want of the "National Policy."
