It is singular that it never occurred to him to remain at home and secure desk in a store that don't advertise. out for his virtue, none below him but

of evening begins to gather over the watery eye, and the shadows of twilight grow broader and deeper upon the understanding.

The great high road of human welfare lies along the old highway of steadfast well-doing, and they who are the most persistent and way in the most persistent and w the most persistent, and work in the

meekest spirit, will invariably be the most successful; success treads on the heels of every right effort.

Men think God is destroying them because he is tuning them. The vio-linist screws up the key till the tense cord sounds the concert pitch; but it is not to break it, but to use it tunefully, that he stretches the string upon the musical rack.

the musical rack.

A country editor in Michigan thus bids farewell to his readers, his paper having expired: "Good by!—Toll the bell gently!—This is our last kick!—Handle us with care!—Lower us gently!—We die a natural death!—The wolf is at our door!—Bury me under a rose hugh!—Listen to the mocking a rose hugh a rose h a rose bush !—Listen to the mocking birds !" -Anything new or fresh this morn-
