LOCAL MISCELLANY. Monday for stealing a watch, from one eletter which present through the post Said to With Guelph Exhibi-

Inches for any of the above points of years of the confederal from P. C. T. Vyron, T. Kelet Agent, Lindsay. 1914. Collaws, as it seems to have wherever the confederation has struck since its start ont. This, says the Ottawa Free Dishation which is to be held on Sept. School on Monday last. The judges were achieved and the grounds visited. General approbation of the arrangements of the logal committee was expressed. The prize list had been issued and into bondamely printed posters printed at the Review officer have seen largely circulated. It is to be hoped that the exhibition will be a succession the horizontal bor, exhibit kell that a large wontributor.

CREATE Volume shifting will be a series on the horizontal her, exhibit skill that care contributor.

OREATE Volume's latest,
Indianayed by former failures Mr.
Account comes smilingly forward with this weather prediction. I am of opin this the wet period is about ended with this weather prediction. I am of opin that the wet period is about ended with a creaming and that a dry or possible with way ways will extend over the cust at the strong resident many many ways will extend over the cust.
