THE CHRISTMAS EDITION OF THE POST.
In accordance with our custom the past few years the Christmas number of the "Post" will be shortly issued. It will contain a large amount of interesting and valuable matter, and is highly recommended to all subscribers. THE BOARD OF EDUCATION FOR 1880.
The Protestant ratepayers of Lindsay will soon be called upon to elect school trustees for the different wards and the town and county councils will be required to appoint their representatives on the board. It is therefore necessary that the ratepayers should keep in mind the change in the law which the polling takes place in a municipal election, and that they should elect a trustee for the different wards and the town and county councils will be required to appoint their representatives on the board.

OUR MAIL AND PASSENGER ARRANGEMENTS.
The winter arrangements of the "pooled" railways are justly regarded by this community as an eminently satisfactory. A pleasant surprise was demonstrated at the meeting on Friday morning to discuss the proposed changes in the law which the polling takes place in a municipal election, and that they should elect a trustee for the different wards and the town and county councils will be required to appoint their representatives on the board.

THE MORTALITY AND MUNICIPAL AFFAIRS.
Municipal matters and candidates are naturally becoming subjects of discussion. There is a strong desire to have a careful and economical council elected for upon the 12th inst. The next few years of the same council that has characterized the year now drawing to a close largely depends on the future prospects of the town. The name of Mr. C. Taylor for the mayoralty has been received with marked favor by leading citizens and property-holders and many ratepayers and there is a strong feeling in the town that he is well qualified to discharge his duties. Mr. Taylor has been mentioned in connection with a third term, but both statements are merely rumors, and we give them without special attention. The name of Mr. W. McDonald, Jr., has been mentioned in connection with the mayoralty and with a re-election. Mr. J. Winters is also spoken of for a re-election, and would make an excellent reeve. Mr. Cooper will run either for reeve or first deputy, his present position, as circumstances may require. If a good man comes forward to run for reeve Mr. Cooper will not go for a step higher. Another week will probably develop the situation.

EDITORIAL NOTES.
The Ontario legislature is to meet on Wednesday, Jan. 7th.
Rev. Father O'Mahony of Cork has been appointed co-adjutor-bishop to Archbishop Lynch of the diocese of Toronto. It would cost the diocese a considerable sum to support a co-adjutor-bishop, and it is not probable that the archbishop would be willing to do so. The matter is now fairly before the community of Lindsay, and they can either "root and branch" it, or they can endeavor to effect some desired improvements or prepare the way for them. We rather fancy, however, that the archbishop would not be willing to do so, and it would be better to leave the matter to the archbishop's discretion.

COMMERCIAL NEWS.
OFFICE OF THE CANADIAN POST.
Lindsay, Dec. 4, 1879.
Business and Finance.
With good sleighing a lively market is to be expected and considerable instances might be cited where Lindsay has been the beneficiary. The snow keeps on an excellent track, and trade will be done. Prices for wheat have advanced a little, and the market is firm. Barley has advanced in Toronto, but the season here is over. The cattle trade is marked by supplies in excess of the demand.

THE FRANKFURTER ZELTUNG gives the following statement of the estimate of this year's wheat harvest compared with the previous year: The estimate of the wheat supply and the requirements of the population of the Empire, taken at an average, is estimated as follows:
