vantages that are plain to the meanest

the moreover. The present method is minerally and the property of the control of the market is one of what it can be market by the removal of a few amonging roles and restrictions and market in consection with its establishment of the market in consection with its establishment of the market is can be market in consection with its establishment of the market in consection with its establishment of the market is consecuted would have the effect of largesty increasing the attendance as the witness of the market, and we should see there is more increased in the consecution of the property increased in the consecution of the property increased in the produce to said the produce to said the produce of the produce to said the produce to said working toils or excasions restrictions and every persons with produce to said working toils or excasions restrictions and every persons with produce to said working toils or excasions restrictions and every persons with produce to said working toils or excasions restrictions and every persons with produce to said working toils or excasions restrictions and every persons with produce to said working toils or excasions restrictions and every persons with produce to said working toils or excasions restrictions and every persons with produce to said working toils or excasions restrictions and every persons with produce to said working toils or excasions restrictions and every largely the body of producers and consumers or buyer. This has not been dotted in the produce to said a few market and the case and the produce to said a few market and the case and the produce to said a few market and the case and the produce to said a few market and the case of the said and the produce to said a few market and the case of the said and the produce to said a few market and the case of the said and the produce to said a few market and the case of the said and the produce to said a few market and the case of the said and the produce to said a few market and the case of the said and the produce to

LINDSAY PUBLIC SCHOOLS.

understanding; they are not theoretical; HALF-YEARLY EXAMINATIONS. and cannot be gainsaid. The farmers The half-yearly examinations of the have repeatedly complained of the complaints and the complaints have come from all quarters. The feeling against the tolls is widespread of the teachers and pupils. have repeatedly complained of the tolls Lindsay public schools were held last and approved. have come from all quarters. The feeling against the tolis is widespread in the country; and we put it to any are all of the teachers and pupils in the country, and we put it to any are all of the seed in the country; and we put it to any are all of the seed in the country; and we put it to any are all of the seed in the country; and we put it to any are all of the seed in the country; and we put it to any are all of the seed in the country; and we put it to any are all of the seed in the country; and we put it to any are all of the seed in the country; and we put it to any are all of the seed in the country; and we put it to any are all of the seed in the country; and we put it to any and motions and other elections. This is a change for the better, and ought to have the effect of increasing public interest in the election of members of the board of education. We have urged fount the community the advisability of improving the standard of their school trustees, and no thoughful and full, partly the farmers' fault, and mainly the fault of the present market by law in the consequence the auggestions presented for their consequence the auguestions of the fault of the present market by a consequence the auguestions of the fault of the present market by a consequence the auguestions of the fault of the present market by the conclusion of which the market is also to be kept in mind the fault proficiency, and gave ovidence of careful and therough the c

the fact that people in town have not been frequenting the market in numbers has had a discouraging effect on those farmers attending it. The two processes have thus been outling both ways against the market. The present school for the present year took place Mr. Batt.ey (Emily), that whereas there squestion will probably have the effect on Monday atternoon last, and despite are doubts as to how far the county is of drawing a larger attendance of the state of the weather there was a full liable to furnish the necessary stationof drawing a larger attendance of farmers and of townspeople; and if so not a little good will have been effected. We observe the Warder declares to one breath that a "free market means a higher price for everything to the "consumer," and in the next that "the sequential the programme, in which "forms, postage, etc., to the sum of the programme, in which yellows of the programme, in which they acquitted themselves very creditable alike to their taste and enpeace, registrar of deeds, inspector of they acquitted themselves very creditable alike to their taste and to the farmers of the council be instructed to obtain the objects of the programment advanced to the platform and presented him with the council be instructed to obtain the platform and presented him with the country solicitor as to the country solicitor as to the country solicitor as to the farmers of the country solicitor as to the farmers of the country solicitor as to the country solicitor as to the farmers of the country solicitor as to the country solicitor as to the farmers of the country solicitor as to the country solicitor as to the country solicitor as to the farmers of the country solicitor as to the country solicitor as to the country solicitor as to the farmers of the country solicitor as to the farmers of the country solicitor as to the country solicito magnificent copy of Alison's History Europe, in twenty-one volumes, and hadsome gold breast-pin :— A. minutes were read and approved.

FINANCE REPORT, ASCONSIDERED.

On motion of Mr. DANTEL, seconded by Mr. ASEMAN, the report of the standing committee on fluence and assessment was reconsidered in committee of the whole, and the name of Mr. John Fell was struck out from the delegation to Ottawa respecting the Trent valley canal. This action was taken because it was believed that one delegate was sufficient and partly because Somerville, of which Mr. Fell is the reeve, refused to send a delegate. Mesers Diament and Bryans entered and took their seats.

THURSDAY'S PROCEEDINGS. The council met at 1 p.m., the War-

and that a special committee composed Broad and the mover be appointed to draft a memorial to that effect. - Car-

FRIDAY'S PROCREDINGS. The council met at 3.15 p.m., the Warden in the chair. All the members present except Mesers, Daniel, Downer, McClelland and Stephenson. The minites were read and approved.

A communication from the council of Northumberland and Durham enclosing a copy of a memorial to the legislative assembly relating to the expenses of administration of justice was laid upon the table.

STATIONERY FOR COUNTY OFFICIALS.

Dr. Nounts moved, seconded by

My. Coopen submitted the report of the standing committee on printing, which was passed in the usual form. The report recommended payment of a number of accounts, and contained the following clauses:—Tour committee would recommend that as doubte have arisen as to the liability of the county for blanks and stationary used by certain county for blanks and stationary used by certain county officers, several accounts for such supplies be late over until the acut usuall request of the bankers and merchants of that town and against my own whose, as I are to specific the public convenience. It is not the position to definitely active the question and mails frue of change by your line at present.—Tours truly, their assessments.

Moved by Mr. Dickson, seconded by Mr. Adam, that whereas, \$20 has been granted annually to the officers of the various volunteer companies in this county to reimburse them for taking care of the arms of the said companies, and the sum of \$10 of the grant to the Linday volunteer company is still in the hands of the treasurer; and whereas, at the last sitting of this council a recommendation of the finance committee was adopted granting two loads of wood to the caretaker of the arms of the said volunteer company to preserve them from damp, be it therefore resolved that the said \$10 be paid to the said caretaker, out of which he shall purchase the said wood.—Carried.

MUSHOKA TAX SALE. A VOLUNTEER GRANT.

The council met at i p.m., the Warden in the chair and all the members present except Mosers. Hrvans, Connolly and Fell. The minutes were read and approved.

MUSKOKA "AX SALE.

Mr. TOOKKY moved, seconded by Mr. McMurhay, that as there are some persons of opinion with ourselves that the sale of land for taxes held in Lindsay for that portion of the county of Victoria lying within the Muskoka district is not in the best interests of the people this council memorialize the government for legislation to enable the county treasurer to hold the sale of such lands at the village of Bracebridge.

MUSKOKA TAX SALE.

On motion of Mr. Dickson, seconded by Mr. Brown, a memorial to the Licutt.-Governor of Ontario respecting the sale of lands for taxes in the Muskoka townships was received and adopted. The memorial seked that an act be passed at the next session of the legislature giving the municipal council, or such person as the said creasurer may nominate, to hold a sale of the lands in arrears for taxes in the Muskoka townships was received and adopted. The memorial seked that an act be passed at the next session of the legislature giving the municipal council, or such person as the said creasurer may nominate, to hold a sale of the lands in arrears for taxes in the Muskoka district is not in the best interests of the Muskoka townships was received and adopted. The memorial seked that an act be passed at the next session of the legislature giving the municipal council or such person as the said creasurer may nominate, to hold a sale of the lands in arrears for taxes in the Muskoka townships annexed to Victoria for municipal purposes, according to law, at such place or places are may be considered by the said municipal council most advantageous and expedient in the interests of all parties once.

oncerned.
Mr. Frill submitted the report of the standing committee on roads and bridges, which was adopted. It will be actual next week be printed next week.
