Ing been found as great a stare to the insane almost as to the same, provision is made for the employment of all of both sexes who are capable of working. Women are set work suitable to forminine taste and skill, saving, and spit, 485 for 1891-29. Of the latter fancy work, house dutted, light gardening, she; and the men at belitting work. The London asylum cultivated last rear by the inmates alone a farm of two hundred seves, and a garden of twenty areas; it kept in good order fifty areas of ornamental greases and reads, be sides doing a very large amount of other work. The product financially of this economy was occops to the extent of ten information. It says he has a least concern with this little.
