ELEVATOR AT THE ORORGIAN HAY McEachern, Daniel, Fairbairn and the

to Midland City, for some time propos- mates for the year 188 ed by the president and directors of the Midland railway but several times postponed, came off on Thursday of last week. Mr. Vennor and "old proba" very thoughtfully arranged for one of the linest of early summer days; it was neither too hot for the average obese reeve of Fenelon respecting early attenuated Port Hope editors.

Why are Toronto aldermen always fat Brock respecting expenditu may be we hold to the opinion, which we have been may be seen by continuous and that no assented of parity and Port Hope editors always thin? The Midland special which left Port Hope and Peterboro at a rather early hour came past Lindsay a few minutes. This would offect a decided improvement in politics if carried out. But special cases may arise that have to be considered. Reference is made to a considered Reference is made to a considered Reference is made to a considered making appointing himself. to the Midland, filling the three passen- letter from the registrar applying ger care composing the train.
