FREE FIGHT!

WAR is Declared Between JACK FROST and the PEOPLE!

JACK has summoned GENERAL WINTER from the North Pole, who will be ably supported by Colonel's DECEMBER, JANUARY and FEBRUARY.

THE CITY STORE offers the people Good, Cheap Armour, which will effectually resist the chilling Sleets of December, the keenest Frosts of January and the coldest Blasts of February.

Before engaging in the battle all should equip themselves in our cheep Frost-proof SUITS and OVERCOATS.

And so desperate is the expected battle that even the LADIES must be called out for active service, but they will pass safely through the most vigorous assaults of the enemy if protected by our good, Cheap Flannels, Heavy Dress Goods, Costume Tweeds and celebrated FUR MANTLES, CAPS, BOAS, MUFFS, &c.

We offer Goods at such reasonable prices that the battle is already half-won, for all are animated with fresh courage and are busily preparing themselves to resist every attack of Old King Frost and his legions.
