Genteres After thoroughly testing the Upright Prinost you are now manufacturing, by playing on them and making a critical examination of the mechanism and workmanship. I have much pleasure in stating that on account of the following qualities, viz; brilliance of the treble, sonority of the indidle part and power of the bases, and at the same time equality of tone throughout, with agreeableness of touch, I consure them exittled to be ranked amog the best instruments of the kind manufactured on this

To Andrew's wonder and surprise, however, Davie left one corner of the seene a blank, without a line or a tree or a blade of grass serawled across the or a blade of grass scrawled across the

white paper. Several times Davie brought his pencil to that spot as it about to fill in something, but each time his hand was drawn back, and in-
