LINDSAY WOOLLEN MILLS

Having bought Mr. Wallace's interest in the Lindsay Woollen Mills I intend carrying on the business myself. To our former patrons I most respectfully return thanks, and ask them for a continuance of their custom in the future. My long experience in the business I can warrant satisfaction.

I have thoroughly repaired, repainted and retted the machinery, and expect to have the mill in better running order than ever.

Persons wishing to have their wool worked up into yarn, single or double, Salted, Blended, or any other kind, will find it to their advantage to send their wool to the mill and have the goods made to order.
