LITTLE BRITAIN. (Correspondence of The Post.) EARLY BIRDS. On the 27th of December a pair of canaries in Mr. John Jeffrey's, a mile north of Little Britain, hatched a nest of young canaries. This is considered very entertaining.

SUNDERLAND. (Correspondence of The Post.) TEACHING CHANGE. Mr. Johnston, who has been teaching in S. No. 4, has resigned his position. His successor is Mr. Welch, of Markham. This being George's first attempt at teaching we wish him success.

COBURN. (Correspondence of The Post.) SOMERVILLE AGRICULTURAL SOCIETY. The annual meeting of the Somerville agricultural society was held in the Hotel on the 11th inst., when the auditors' report of the treasurer's books was read. There was paid in prizes \$167.05; sundry expenses \$23.81; balance in treasurer's hands, \$208.31, with liabilities of \$28.00. The directors contemplate building a hall for the use of the society.

MOUNT PLEASANT. (Correspondence of The Post.) SABATH SCHOOL ENTERTAINMENT. There was an entertainment held in connection with the Mount Pleasant Sabbath school on Tuesday evening, 9th inst., in the Presbyterian church of this place. The doors were opened at 7 p.m., and twenty minutes later the church was filled, and a most successful program, consisting of music, recitations, dialogues and readings, was commenced and carried out most efficiently.

ELTON STATION. (Correspondence of The Post.) OBITUARY. We regret to have to chronicle the demise of Mr. John McNabb, who departed this life on the evening of the 15th inst. The remains were interred in the Kirkfield cemetery on the Monday following. The funeral was attended by a large concourse of friends and acquaintances, which was very nice present, and the services were conducted with the usual solemnity and order.

MOUNT HOREB. (Correspondence of The Post.) A PAINFUL ACCIDENT. A very painful accident happened near here on the farm of Mr. Wm. Lee by which Mr. Tunie Hart, an active, smart and intelligent young man, lost his hand. Mr. Tunie Hart was engaged with Messrs. Robert Hart & John Murphy to finish up the winter threshing, and on Saturday, the 6th inst., they moved the machine to Mr. Lee's and on the following Monday morning they commenced to thresh and were only a short while at work when Tunie went to clean away some snow that had drifted in around the front of the horse-power, and in so doing his right hand was taken in between the piston and the fly wheel and was dreadfully mangled. In extricating his hand he pulled the two front figures off. Dr. McAlpine was immediately sent for and he arrived in a short time. Upon examining the hand he found that it was impossible to save it as chiefly all the bones were broken and even the bones of the wrist were broken. He said it was better to have another doctor. A messenger was then immediately dispatched to Lindsay and it was not long until Dr. Kempf was on hand. The two doctors after a careful examination found it useless to save the hand. They amputated the hand about the wrist. Much sympathy is felt for the afflicted young man and his widowed mother, he being the only son that was able to do the work. We are glad to learn that Mr. Tunie Hart's arm is improving very fast. He was taken home on Monday last.

PERLIN. (Correspondence of The Post.) GRAIN BUYING. A large quantity of grain is received daily at the Grant store house in spite of the low price and N. P. Billy and Jack are honest fellows and the farmers know it. MUSIC. A new feature has been introduced into our post office which will be gratifying to all in the shape of a handsome organ, open to all. SUPPORT FOR MOWAT. Mr. Charles Perrin has been the recipient of a handsome new year gift destined some day to put his bow in the wheel of reform and sound his voice through the halls of legislation. A little to the left of the election booth, Charles. LITERARY. The correspondent of the Wander appears to be a deep politician and well versed in the abusive lore of the Mail and its subordinates. His unmanly and false verbiage in the last issue of that paper was unequalled for its unbecoming nature by facts. It was but the outcome of a frolic brain puffed up with vain delusions and stored with idle words and bar-room literature, and in no worthy of notice. NARROW ESCAPE. A man returning from the shanties, with too much whiskey in him for one man, went down the railway track with a team, and the cattle-guard and drove to the station, when one runner of the sleigh went on the south and the other on the main track, so they found the road and left him sitting in the middle on the railway track. Our station-master heard the noise on the track and came out to see, and had hard work to get the man off the track and the line clear before the eight o'clock train came along. A HOUSING. Our mayor bought the old station-house, and it was published in the Wander that he had the cage ready for the bird, but, alas, some one not too honest stole the doors off the cage, so it is always thought we were living in a house of cards, but it seems there is suffering going on. We hope the citizens will give the aid they can to find out the guilty party, as we do not feel safe since we heard of the door-stealing. ONE AND TWO. Mr. S. Cameron has his farm and is going to keep hotel in Woodville. Mr. S. Cameron has his farm and is going to keep hotel in Woodville. Mr. S. DUNSFORD. (Correspondence of The Post.) DISTRICT L. O. L.—At a meeting of Verulam district L. O. L. held Tuesday, 9th inst., the following officers were elected: Bro. Mulligan, D. M.; Bro. W. M. McCullum, D. M.; Bro. Graham, D. Sec.; Bro. D. Chapman, J. Treas.; Bro. Woolford, J. Sec.; Bro. J. J. Graham, D. D. of C. VERY ILL.—Mrs. Graham, wife of our postmaster, is lying dangerously ill. JOHN'S CHURCH.—Rev. Mr. Jones of Lindsay will conduct in St. John's church on Sunday, 28th inst. POLITICAL.—It is predicted that Mr. McIntyre will carry a pretty strong conservative vote at the coming election. We wish our popular candidate the success which efforts to secure the promotion of honest government deserve.

OAKWOOD. (Correspondence of The Post.) CORRECTION.—In the obituary notice in THE POST's correspondence last week the name of the deceased was incorrectly made Finney. In the runaway paragraph the name should have been Thos. Webster and not Watson. HONORABLES ARE IN ORDER at present. Mrs. W. H. Webster gave on the 11th inst., for the double purpose of a house warming and to aid the Canada Methodist parsonage fund, a very nice present, which was arranged. Uncle Jesse Weldon gave one of the evening of Friday next, at their home for the purpose of aiding the same fund. No doubt it will be equally successful.
