CURIOSITIES OF THE PUBLIC ACCOUNTS. The Toronto Tory plan of charging the expenses of the Chicago spree to "dusters" and "colonization roads" has been transferred to Ottawa and adopted there with some improvements.

THE PETERBORO REVIEW. The Peterboro Review has been completely demoralized by the appointment of Mr. S. S. Peck to the position of stipendiary magistrate of Haliburton.

THE DUTY ON AGRICULTURAL IMPLEMENTS. The increased duty on agricultural implements is exciting the strongest opposition in Manitoba and further North-west.

REASON OF THE HEAVY INCREASE OF 60 PER CENT. IN THE C. P. RATES. The inevitable result will be to diminish immigration into the North-west.

EDITORIAL NOTES. The Princess Louise reached Ottawa Tuesday noon.

Next month Hon. Alex. and Mrs. Mackenzie sail for Europe.

Several names are mentioned in connection with the senatorship rendered vacant by the death of the Hon. T. N. Gibba.

Curley and Brady have been found guilty of participation in the Phoenix park murders and have been sentenced to be hanged.

The Port Huron Commercial doesn't see why Canadians should feel so proud over the repeal of the duty on sawdust.

Sarnia Observer: "Settlers in the North-west are indignant over the increase of duties on wagons and implements, and refuse to find consolation in free sawdust and sausage skins, uncleaned."

A sensational story came from Bermuda about a fire in the Princess Louise's room, which endangered the princess's life.

The official return of the Muskoka election shows very clearly how that constituency was carried.

The Peterboro Review has been completely demoralized by the appointment of Mr. S. S. Peck to the position of stipendiary magistrate of Haliburton.

It takes a Tory administration to increase the expenditure, as will be seen from the following table.

There will be a heavy crop of election cases for trial. Two judges must preside, and no doubt as soon as the spring circuits are concluded the judges will arrange for the trial of the election cases.

The increase in the duties on agricultural implements is looked upon as a great blow to the growth and prosperity of the country.
