All the dynamic conspirators arrested at London have been committed for trial, and their trial fixed for June 26th. The three men charged with conspiracy to mur der Poole were also committed. It is reprove the correctness of the idea that the nyinethles originated among the prisoners in Kumainham ganl.

An unfortunate girl named Lilie Harrington was admitted into the Mercer re-formatory. For its, lately, whose life is a standing argument in favor of temperance principles. She is well educated and acromplished in music, french, etc., being the daughter of a laverpool barrister. She is but twenty three years old, yet she is all most hopelessly degraded by the overof

A characteristic story is told of the Princas Louiss. Chancing to drive out unattanded at Ottawa one afternoon recently in a pony chains, her royal highness called at Major Chereral Linerd's residence,

his son from above through a stovepipe hole in the getting. The particle tired a second what into the proutest body, threatened his mother, and then drigged the body to the foot of the server, where he commenced to construct a cost in which to bury it, keeping the neighbors at bay with hieritle. He ead he was carrying out his father's instructions in committing the

Itamilian Times: "The fall wheat in hadly killed in the Westers States in well on in Casada. Here, imwerer, we see freed from nevere ravages from insiste, and in most cases, though still conting a good deal, the loss in wheat can partially be paid up by nowing other grain. Illimits alone, it is said, is a uniferer from the Hensian fly to the extent of the per cent, of the wheat crop. That represents 30,000,000 by where a clear loss of about is many agilers. The farmers saturally don't like the prospects.

A hourthly discovery was made a few

A horrible discovery was made a few be some farmers at work at a naw mill. White one of their number was crossing a bridge over a small stream, he noticed a human arm protruding from the ice and mud beneath the bridge. On inspection three bodies were discovered perfectly ands, two of a man and woman and one of a young girl. They have been recognis-en as hedien stolen from St. Polycarpa graveyard last winter. It is supposed they were higher there by students who found it impossible to convey them to the city

over had roads. The Harriston Tribune of the ard inst. meyer Maggie H. Scott, the young lady whose remarkable recovery from a long and to all human appearance incurable ill-ness was effected by prayer last fall, the particulars of which appeared in these communications, has been visiting her linele, Mr. D. Hamilton, of this town, for nacle, Mr. D. Hamilton, of this town, for a short time. She is now in excellent health, and in while to travel without any inconvenience. On Sunday evening sher stended (inthris Church, and there related to an interested audience the manager is which her recover with affected, the spenial fluority, and the solemnity with which the rather to the wonderful-event, given evidence of her full condidence.
