#### NEW, FRESH AND SEASONABLE GROCERIES

The monthly Grocery Bill of the average family is no small item. Ba the weather what it may the table must be kept supplied.

Where can this be done to better advantage than by buying from A

CAMPBELL! Except a large business is done a dealer cannot afford to sell at the Closest Prices. There must be a business profit in each transaction to

make busines pay-the dealer to sell-and the customer to buy. The large quantity of GROCERIES I handle is the best possible proof the quality of my stock is always good and fresh. That the prices are

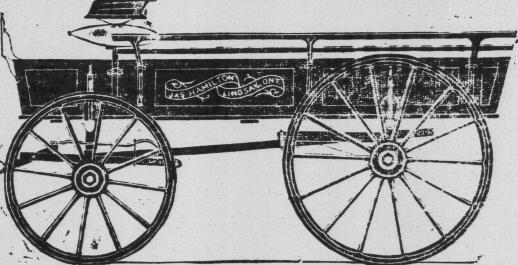

sufficiently low the approval of customers testifies. If you have not yet bought GROCERIES, or CROCKERY or GLASSWARE, or TABLE GOODS from us we would like you to give

the shop a trial and become acquainted with our way of doing business We feel sure that you'll find great convenience and positive money advantage in the selection of our store where everything needfal in the line of GROCERIES is kept. All goods delivered promptly and in perfect
