TRING

FRIDAY, J. NO. 15 1883.

nd that it cacks advice re maras ammate folly in view of centure

marin of proof as to drink's the susewhere on human industhat word and profee by law av madistillery, the salbon, and ho et, and liquor grovery, and see is of evil; and then send mis es at great expense to counteract parmis for scoons to warn youth est alcohol and at heavy cost mainin a constabulary and a judiciary whose the largely lies in compatting the liquor the and punishing for offences commit

t through strong drink! Now agree in Canada probably is so much nor drunk per head as in some parts of. language no where are voing men so native value 1 to this snare, and therefore overvision of facilities to drink is spearea deprecated.

Giration now is Shell the prohibit one be removed a hundred miles al to the American border and and no Ontario's boundary, so as to an executive from the entire land, Many oblias well as the territo les, or It the line be done away altogether and circle be given to the traffic everyere, as in this province, save only such traints as license regulations may im-I documately present signs would next the latter. Strong pressure is a being brought upon the authorities to shane prohintory enactments within ne territories, and place matters, in the one position as in the province of Mani-obs. The far west is rapidly filling up, it argued. Hotels are needed everywhere ad their guests want "something." Why worldge their Pherties any more than the liberties of the province of Manitoba are third sel, etc. And it is to be feared that

tre ione the government will yield, and the best opportunity Canada ever had to win a great and permanent tenner ance victory be ost. In nothing more than in the mat-" of intoxicants does the adage hold true: Prevention is better than cure." INTELLECTUAL CALIBRE.

The question is often asked: How do the people of the Northwest compare intellectually and educationally with people in the older provinces and in the old country?

Well, take any hundred at random, or any thousand of them, and in such a group here would probably be found more brain, and better brain, and more intelligence and force stored up in that beain, than in the same number of people anywhere else

n the Dominion.

Angelina, I plead ignorance. Adien, VIATOR. HALIBURTON COUNTY COUN-

UND SESSION THE COUNTY'S PINANCIAL CONDITION THE RAILWAY DEBENTURES | it. The June session of the county council of Haliburton was held on Tuesday of last week at the county buildings in the village of Minden. Present, the warden, Mr.

John Scott, and Reeves Gainer, Ferrier. Kellatt, Mortimer, Ritchie, Illman, McInrev and Sidley. The WARDEN briefly addressed the coun-

I, pointing out what was the most important business before them. He said the claims of the holders of the railway debentures had not been met, and that one of Triangle Package Dyes. The genuine are in three-cornered packages to distinguish them from the old-fashioned common colors in square envelopes. Thirty (39) colors, perfect in all the shades; satisfaction guaranteed. Price, 10c. For sale by all druggists.—39-4. hos holders, a Mr. Mountenay, had taken leral proceedings against the county. After consultation with Mr. Barron of Lindsay it was found to be useless to dispute the claims of the debenture holders, and judgment was allowed to go without dispute. An execution had been issued. Octave, you are smoking in the boudoir. You never did that before." "That's true, my dear, but the hangings are no longer fresh." had been paid off, but there was still an amount due to the bank of Montreal, and that bank was ready to give them accom-

modation. The CLERK then read the correspondence with Mr. Barron, and the subject generally

Will Mr. Darrell, and the subject generally was taken up in debate.

Mr. Gainer made some remarks relating to the session being earlier than usual, and as to the suspension of the standing

some further correspondence was read showing that the committee appointed to arrange matters in regard to the railway debentures hat not met for business purposes. A statement was read relating to the statement was read relating to debentures was not met for business purposes. A statement was read relating to
the railway debentures debt of the county,
which had been forwarded to the attorneygeneral. It stated that the taxation was
heavy and oppressive, and in some cases
amounted to eight cents on the dollar.
On motion Mr. JOHN FELL, M. P. P. for
Next Victoria and addressed

On motion Mr. John Fell, M. P. P. 107
North Victoria, was heard, and addressed
the council in a very temperate and
thoughtful speech. He said he had listened
to the correspondence read, and to the
statements made by the warden and clerk,
and it was not possible to arrive at any
other conclusion but that the affairs of the
county were in a very unsatisfactory condition. The facts were apparent that the One proof of this may seen in the news dition. The facts were apparent that the little press of Winnipeg, land had depreciated in value, and the of a future existence.

-Jones (through the lather): "Strange, I never can grow a good beard, and yet my grandfather had one three feet long." Hairdresser: "Can't account for it, sir—unless you take after your grandmother."

-Mr. Thos. Ginn. carpenter. St. Thomas. says. my wife has long been troubled with constipation. She has used a great many so-called cures. but without doing her any lasting good. Dr. Carson's stomach Bitters cured her and she thinks it the best medicine ever made. For sale by all druggists everywhere in large bottles at 50 cts. - 33-4.

-Ladies are like watches, pretty enough to look at, sweet faces and delicate hands, but somewhat difficult to "regulate" after they are

The Great German Invigorator

is the marvel of the medical world. It never fails to completely cure nervous debility, impor-ency, mental depression, and all diseases caused from excesses. The testimony of thousands can be had by writing to F. J. Cheney, Toledo, Ohio, sole agent for the United States. Price \$1 per box; six boxes for \$5. If your druggist does not keep the remedy send to headquarters and get the medicine by mail. Caculars and testimonials on application. 28 13. suggest that the memorial sent to the attorney-general should be copied and sent to the bondholders and it would conotless have a good effect. If the bondholders have the county more time and the government passed an act to that effect, the county

A young lady rebukingly acks us: "Which is the worse, to have tight or get tight." We give it up-we never laced,

would at once be in a better position. The school rates in the provisional county were enormous, and it was unreasonable to sup-pose that men of capital would remain in Street Talk. "How much better you look, Mr. S." "Yes, a have gained 32 pounds on Hall's Catarrh. Care. Have not felt so well in alwenty years. It has made a complete cure, and is worth 850 a bottle to any one that has the catarrh," 28-13. the county, or come into it, with such taxes as existed there. He thought there would be a reaction in the North-west and
