among the people that the child had been
carried off by the Indians. No further trace
of the child has been discovered.

The Montreal harbour commissioners
have been officially informed that an order
in-council has been passed authorizing the
outlay of \$200,000 in deepening the channel
in Lake St. Peter to twenty-seven and a
half feet.

— Mr. Gladstone is said to be showing
unmistakable symptoms of break-down,
and it is asserted that should his adminis-
tration be superseded by the advanced age
of the cabinet he carried, he will retire
from public life.

The Queen of Spain passed through
Paris on Wednesday on her way to her
mother at Lyons. She is said to be
with symptoms of a great constitutional
ailment, probably the result of her
exposure to the weather.

— At the Lowe farm near Nelson, Man.,
two hawks were shot. Two bags of barley
were sown in a field opposite the house with a
broadcast seeder. The size of the bags will be
judged when it is noted that ten bags
were used in sowing a single round. Mr.
Stephenson, manager of the farm, handled
the seeder during the afternoon in question.

The engineers committed the death
sentence of the Nihilist, Gennettich, Tel-
lebov, and sentenced to penal servitude
for an indefinite period. They reduced the
life sentence of Svetoch to five years
of penal servitude, and the sentence of the
women Lisickaya and Pilyavskaya to four
years. He also mitigated the sentence of
three others.

A few days ago Boyd Caldwell of
Lethbridge was compelled to send a gang of
men out to place a board around his log
house on the Mississipp and prevent them being
swept away. A dam owned by Mr. McLaren.
The water will not be raised until the judicial
committee of the prison council has
given a decision, though it is said the
water is high enough to float them over
the dam.

The Allan steamship Sardinian has
brought out the largest number of pass-
engers of any vessel this season, 15 cabin
and 1,000 steerage passengers. Some of
this number are included in 250 who left
Rev. Lord Douglas's Home, destined
for Ottawa, 110 children from Miss Ryer
for home for Niagara, and 100 from Miss Ryer
for home at Kitchener.

— There is a glut of potash in the
Montreal market. Large quantities had
been imported last fall, being sold at low
rates, and will be mainly used as cattle
fertilizer. Some of the smaller dealers
are holding out for higher prices.

If farmers had sold in the fall,

they would have netted much higher rates,

but they caught the speculators lever and

held on their crops in expectation of a rise

which was doomed not to come.

Mrs. Edmund Freed, living near
Beamsdale, Ont., went to bed Thursday
night, apparently in her usual health,
and about one o'clock her husband got up, and
noticed that she had not yet wakened.
