COMING EVENTS

Casting Their Shadows Before.

The Great Event of the next two weeks is the fact that for the first time during my residence in this place I have determined to make a

Clearing Sale of Summer Goods at Cost Prices.

The lines to be disposed on these favorable terms to Cash buyers are principally LADIES' GOODS, and embrace a wide range which are generally well assorted.

I do not believe in the system of buying a lot of Goods more than is necessary for the equipment of business and then have to sacrifice a large part to meet engagements.

Therefore a remarkable opportunity is afforded to my Friends and Customers to obtain some lines of Goods at Wholesale Prices.

As usual TERMS CASH.
