Two years ago says, the Kingston Whig, a little daughter of Victor Badgely, of Ameliasburg, disappeared and nothing since has seen heard of her fate. When last seen she was playing near the house at which her mother and grandmother were visiting, and when sought a few minutes afterwards could not be found. Fields and woods, swamp and marsh, land and water were searched for days, and up to the present no tidings can be had of her.

On Monday afternoon Bertie Hough, aged nine years, second son of H. Hough, editor of the Cobourg World, while playing, fell from a tree 25 feet to the ground. He was taken up insensible and badly cutby this time as sound as a dollar. If Bertie Hough hadn't been pretty tough, he'd have said "enough." The Most Successful Remedy ever discovered as it is certain in its effects and does not blister. READ PROOF BELOW. Saved him 1,800 Dollars.

Dr. B. J. Kendall. & Co., Gents:—Having used a good deal of your Kendall's Spavin Cure with great success I thought I would let you know what it has done for me. Two years ago I had as speedy a colt as was ever raised in Jefferson county. When I was breaking him, he kicked over the cross bar and got fast and tore one of his hind legs all to pieces. I employed the best farriers, but they all said he was spoiled. He had a very large thorough pin, and I used two bottles of Kendall's Spavin Cure, and it took the bunch entirely off, and he sold afterwards for \$1,800 (dollars). I have used it for bone spavins and wind galls, and it has always curwards for \$1.800 (dollars). I have used it for bone spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a splendid medicine for rheumatism, have recommended it to a good many, and they all say it does the work. I was in Witherington & Kneeland's drug store, in Adams, the other day and saw a fine picture you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can. Very respectfully,

E. S. Lyman.

Kendall's Spavin Cure. Hutchison's Ranch, 12 miles north of Denver,
Colorado, March 16th, 1883.

Dr. B. J. Kendall & Co., Gents:—For the
past three years I have used Kendall's Spavin
Cure. In every case of spavin, of which I have
treated five, it has killed them all, and entirely
removed three. In case of splint I find it has no
equal, one case I had was of three years standing and the Spavin Cure has removed it entirely.
I had a cow get spavined and it entirely cured
her. One year ago a two hundred pound block her. One year ago a two hundred pound block of ice fell out of a wagon striking my foot on the instep and toes, it would be impossible to mash a foot worse without breaking any bones. I was taken home and carried into the house. I do not think amputation of the leg would cause any more pain. I went for Konhouse. I do not think amputation of the leg would cause any more pain. I went for Kendall's Spavin cure, it was all I used, and in six days I could walk around. About three weeks ago my team ran away and threw me out of the wagon, the hind wheel struck my knee. After applying several highly recommended liniments without obtaining any relief. I went for Kendail's Spavin Cure. My leg was drawr up and my knee swollen badly. In three days I was able to walk to the barn. I could go into details more fully, and make this a very long letter but will not weary you. I am very respectfully yours, Oscar F. HUTCHINSON, P. O. Messrs, B. J. Kendall & Co., Gents: About eight months ago there was a valuable stallion brought to the stables of Farmers and Henry to be treated for a bone spavin, which was one year's growth and of pronounced size, and having learned through outside sources that your liniment known as Kendall's Spavin Cure was valuable. I commenced using it on the enlarge ment and after six weeks using and having applied two bottles the horse was cured entirely, leaving the leg perfectly smooth.
