Dr. B. J. KENDALL & Co., Gents:—Having used a good deal of your Kendall's Spavin Cure with great success I thought I would let you know what it has done for me. Two years ago I had as speedy a colt as was ever raised in Jefferson county. When I was breaking him, he kicked over the cross bar and got fast and tore one of his hind legs all to pieces. I employed the best farriers, but they all said he was spelled. He had a very large thorough-pin, and I used two bottles of Kendali's Spavin Cure, and it took the bunch entirely off, and he sold afterwards for \$1.800 (dollars). I have used it for hone spavins and wind galls, and it has always cured completely and left the leg smooth. spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a splendid medicine for rheumatism, have recommended it to a good many, and they all say it does the work. I was in Witherington & Kneeland's drug store, in Adams, the other day and saw a fine victure you sent them I tried to buy it, but could not they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can. Very respectfully.

Dr. B. J. Kendall, & Co., Gents:—For the past three years I have used Kendall's Spavin Cure. In every case of spavin, of which I have treated five, it has killed them all, and entirely removed three, In case of splint I find it has no equal, one case I had was of three years standing and the Spavin Cure has removed it entirely. I had a cow get spavined and it entirely cured her. One year ago a two hundred pound block of ice fell out of a wagon striking my foot on the instep and toes, it would be impossible to mash a foot worse without breaking any bones. I was taken home and carried into the house. I do not think amputation of the leg would cause any more pain. I went for Kendall's Spavin cure, it was all I used, and in six days I could walk around.
