

Sulphur and Iron Bitters.

Failing!

That is what a great many people are doing. They don't just know what is the matter, but they have a combination of aches and pains, and each month they grow worse.

The only sure remedy yet found is SULPHUR and IRON BITTERS, and this by rapid and thorough assimilation with the blood purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out the poisons and gives health and strength.

This is why SULPHUR and IRON BITTERS will cure kidney and liver diseases, consumption, rheumatism, neuritis, dyspepsia, biliousness, intermittent fevers, etc.
