W.H. GROSS. 1400000 The Oldest Dentist in Victoria County. Over 23 years Experience. From June, 1860, to December, 1883.

For any kind of dental work that will stand the test of time, call at GROSS'S DENTAL ROOMS, Lindsay. ENGLISH BLACK RUBBER PLATES have no superior in the world for durability, cleanliness, purity, perfect adaptation to the mouth and comfort to the wearer. Hundreds of people who could not use any other kind of plate, are wearing them with the greatest satisfaction. Mr. Gross is the only dentist in Lindsay who uses the genuine English Black Rubber. The inferior American black variety is well calculated to deceive, and the public are cautioned to be on the lookout for it, also for that mammoth humbug called "Gold Alloy." No sensible man or woman who reads the cautioned to be on the lookout for it, also for that mammoth humbug called "Gold Alloy." No sensible man or woman who reads the papers will allow themselves to become victims of this glaring fraud. Mr. Gross makes a specialty of the preparation of plates for lower jaws wasted by shrinkage or absorption. He made last week for parties in Manvers, two perfect-fitting sets of lower teeth, given up by another Lindsay deniist, after repeated trials with his "new process". About 10,000 teeth to select from. Mest likely the largest, and certainly the best selected stock of artificial teeth ever brought to Lindsay. The natural teeth permanently filled and saved. Gold fillings inserted by the Electro-Magnetic Mallet, a new thing in Lindsay. Fillings guaranteed for FIVE YEARS. A Full Upper or Under Set of Teeth from \$9 to \$65. Liquified Gas and Electricity successfully used. Gross's Dental Catechism containing valuable information on the subject of teeth. Call and get one free. Remember the place.
