Disastrous Fire.—On Thursday evening last the barn and cowatable belonging to Mr. James King, at Frenchman's bay, with their contents were consumed. In the barn and stable were 150 businels of wheat, 70 businels barley, 35 businels peas, eight or ten tone of hay, 12 head of cattle, 14 sheep, one three year old mare, one sucking cott, a lot of fowls, besides a number of farm implements, of which nothing was saved. Mr. King thinks his loss will be about \$1,000.

Moving to Town.—Mr. J. A. Urquhart, formerly boot and shoe merchant of Stouffville, is moving his family up and will become a permanent resident of this place.

Royal Templars.—The Royal Templars, a branch of which was instituted here six months ago, are progressing favorably and are receiving very encouraging support. Officers installed for the ensuing term were: S. C., Bro. Wm. Mc-Pherson: V. C., Wm. Donaid; Chap., D. McKay; R. S., James Currie; F. S., P. Ellis; Treas., Neil Clark; Herald, E. Sproule; guard, Jos. T. May; sentine, Jno. Twohey; P. C. and Rep. to Grand Council, Rev. W. Burns.

Masonic Ball..—The annual ball of Brock Lodge A. F. & A. M., will be held on Feb. 7th, in their hall. We believe every effort is being made by the members to make this a complete success. They have gone to considerable expense in arranging to get their hall improved to further the comfort of guests, and we expect that this will by far surpass any occasion of the kind they have previously had.

HOTEL CHANGE.—Mr. J. E. Smith has again taken charge of the Queen's hotel and will no doubt. as formerly, soon make himself known to the public as the right man in the right place. J. E. is popular and respected and we wish him much success.

OBITUARY.— We regret to have to record the death of Dr. Luke of Manilla, who had been alling for some time. Last week he came over here to stay with his cousin, Mr. W. G. Smith, where he breathed his last on Saturday evening. The doctor was highly respected by all who knew him and his loss will felt and mourned by many friends and relations. Owing to the Monday morning train on this part of the line being blocked up with snow, his remains were taken to Manilla Station, to be forwarded to Brooklin, his old home. We warded to Brooklin, his old home. We believe the funeral will take place on Thursday, when the body will be interred in the Oshawa cemetery. A number of Oddfellows for this place will attend.

CAMBRAY. PRESEVIERIAN TEA.M RETING. - The annual tea-meeting of the Presbyterian church here will be held on Tuesday, Jan. 22nd, commencing at four p.m. A bountiful tea may be expected, and then there will be addresses by a number of popular speakers. There will be choice music, vocal and instrumental, and other attractions. Let there be a large attendance, as a first-class time may be expected.

THE POST.—Subscriptions for THE POST will be taken by Mr. K. Murchison at the

Unsatishactory Mail Service. - (To the Editor of The Post.) - I have a few questions that I would like to have an ansature of the service. wer to. What is the reason we have such poor mail service to Cambray? Some days we have no mail at all. Sometimes our mail carrier has to go to Lindsay after it. There is a general uncertainty should were the most here who have fine houses and the mail will arrive, or whether it will come at all or not. Our government is collecting millions of dollars more than any other government did in Canada before that I ever heard of and yet they cannot afford to give, or at at any rate they dont give, us as good mail service as we formerly had. Isit because our postmastergeneral don't care? Is it because it is not convenient for the railway company? Or is it because the money that ought to be spent in the mail service is wanted for omething else? For instance to help Mr. Pope to build a railroad in the State of Maine to compete with our Intercolonial? Are we sold, bound hand and foot, to the two great railroad corporations for them to tax us as they choose, and generally do with us as they like?

OBIT.—On Sunday morning at 7 o'clock passed away the Rev. Geo. Norris at the residence of his son, Dr. Norris, one of the oldest citizens of Omemee, at the age of 88 years. Deceased was an active worker in the Methodist ministry for over forty years and was superannuated about eighteen years ago. He was buried in the Emily cemetery on Thursday afternoon by the Orangemen of the Omemee and Emily lodges in which order he held the high position of grand chaplain of British North America. The funeral cortege was very large.

DEATH OF A TEACHER.—We regret to have to record the death of Mr. Samuel Mulligan at his father's residence, (Mr. Wm. Mulligan) on Sunday at noon at the age of twenty-four. Deceased taught school for a number of years in Emily and was highly esteemed. The remains were interred in the Emily cemetery Tuesday forencon.

ANOTHER DEATH. -Mr. R. McQuade received the sad intelligence on Saturday last his son Geo. McQuade had died in Port Arthur on his way home to Emily. Much sympathy is felt for the family in their unexpected trouble.

JANETVILLE.

THE SNOW BLOCKADE.—We had a terrible storm last week. We might almost as well have been on some desert island as here for all the news we got from the outside world. Our mail-carrier did not come for a whole week. Now we know the snow was deep and the roads had, but he could have come had the been willing. Our doctors and several at here sittled to the country and several at the country at the could have come had he been willing. Our doctor and several other citizens drove as far or further than he had to come every day but one. We are all indignant, and think some one else should have a trial.

PERSONAL.—Mr. and Mrs. Neil McDonald, from Port Perry, have been visiting their many friends here for the last time prior to their departments.

prior to their departure for London, where they intend to reside. The best wishes of all follow them to their new home.

Mr. F. Hannah is home from Lindsay very The doctor has hopes of his recovery.
Miss A. Whitlock, from Hampton, is visiting friends hereMiss Lizzie Anderson has gone to Lindsay to attend the high school.

THE METHODIST TEA MEETING.—The tea in the C. M. church was a grand success in every way, only the crowd was rather teo large for the size of the church, as a great many had to take refuge in the basement. There were numerous recitations, readings and dialogues from the sabbath school children, and an eloquent address from Rev. H. Sherin and Rev. D. McCammus. The Hampton choir discoursed sweet music, and deserve much credit for giving us their valued assistance. Mr. John Burns occupied the chair. The teament and the school of the chair.

LEAP YEAR CHANCES.—This is leap year, and we would like to tell young ladies who may be thinking of proposing ell furnished. Nothing needed but wife, which we hope to see soon supplied. Our girls say they are sure to get married this year, for the young men had not the pluck last year to ask them.

Sherp Workling Dog.—A fine dog belonging to Mr. T. Heaslip was seen in the

act of worrying a sheep belonging to Mr. S. McGill, and as soon as Mr. Heaslip heard of it he killed his dog, fond as he had been of him before. MUNICIPAL. - Our elections came off very satisfactorily. The north part of the township has got in a man after battling to do so for four years. (See list in another place.) The councillors are well divided

over the township this year.

BUILDING NOTES. - Mr. Wm. Magill is fluishing up his new brick house. He has engaged Mr. Silver, painter, of Lindsay, to paint the inside. . . . Mr. Robt. Armstrong, of this village, is finishing off his new house. When completed it will be a creditable addition to our village, as it stands on a rice hill, and commands a fine view of the village and surrounding country. Our village only lacks the railway coming into it to make it a prosperous

COMMERCIAL NEWS.

OFFICE OF THE CANADIAN POST. LANDSAY, Jan. 17th, 1881.

The heavy state of the roads has had a iebilitating effect on the local market. The delivery of grain has fallen off to almost nothing. On Thursday, in sympathy with the drop in prices in Chicago, wheat was very slow and prices were depressed. Lindsay buyers are paying from 95c to \$1 for fall wheat and \$1 to \$1.05 for spring. Arnetka brings from 70c to 80c but is not in demand. Barley brings from 48c to 60c. Clover seed is in demand at \$5.50 to \$6.75; slsike, \$7 to \$9; timothy, \$1.50 to \$1.75 per bushel. Several small changes in the prices of produce are noted in the price list below. Pork has advanced a trifle and now brings from \$6.00 to \$7.50 per 100 lbs. Toronto Cattle Market.
