Shiloh's Remedies.

SHILOH'S Consumption Cure.

This is beyond question the most successful Cough Medicine we have ever sold. A few doses invariably cure the worst cases of cough, croup and bronchitis, while its wonderful success in the cure of consumption is without a parallel in the history of medicine. Since its first discovery it has been sold on a guarantee, a test which no other medicine can stand. If you have a cough we carriedly ask you to If you have a cough we earnestly ask you to try it. Price 10 cts., 50 cts. and \$1.00. If your lungs are sore, chest or back lame, use Shiloh's Porous Plaster. Sold by A. HIGINBOTHAM,

Answer this Question.

Why do so many people we see around us, seem to prefer to suffer and be made miserable by indigestion, constipation, dizziness, loss of appetite, coming up of food, yellow skin, when for 75 cts., we will sell them Shiloh's Vitalizer, guaranteed to cure them. Sold by A. HIGIN-BOTHAM, Lindsay. Shiloh's Catarrh Remedy.

A marvelous cure for catarrh, diphtheria, canker mouth and headache. With each bottle there is an ingenious nasal injector for the more successful treatment of these complaints without extra charge. Price 50 cents. Sold by A. HIGINBOTHAM, Lindsay. 71-26cow.

- A St. Petersburg despatch says the police have accertained that most of the officers up to the rank of captain in the artillery brigade at Novgoroff and in a regiment of infantry at Saratoff are Nihilists. Several arrests have been made.

-A family residing at Levis, near Quedays ago, were taken ill with symptoms of poisoning. Emetics were administered and they all recovered. The peas, it seems, had been kept in a copper vessel since last

-A terrible accident took place the other day at Auxonne, by which one of the men connected with a menagerie, which is now being exhibited there, lost his life in a cruel manner. The unfortunate man was showing the wild beasts to some friends, showing the wild beasts to some friends, and in passing before a cage containing a lion and two lionesses he had the imprudence to put one of his same between the bare for the purpose of stroking the lion's mane. With a territic bound the lionesses immediately sprang at the man's arm, in which they buried their claws, while the lion, by a single snap of his teeth, severed the arm clean from the shoulder. The unfortunate victim was taken away by another attendant, who was obliged to beat the beasts back into their cage with a three pronged fork. The man died in the three pronged fork. The man died in the hospital on Sunday morning in the most terrible pain.—[London Telegraph.

-A sensational scene of an unusual kind even in Irish murder trials occurred at Carrick-on-Suir, county Tiperary. The victim of the supposed murder was Michael Baleny, of Kilcash, whose body was recently exhumed and found to show races of arsevic in sufficient quantities to cause death. Suspicion rested upon the widow, and she was arrested and placed n trial at Carrick-on-Snir. Her two children of tender years were produced as witnesses, but being placed upon the witness table they stubbornly refused to utter a word. They were threatened with mprisonment, and were evidently much frightened, but threats and persuasion alike fatlet to elicit from them a single morsel of evidence. They were therefore committed for contempt of court. The severity of the judge's action under the peculiar circumstances has caused a great squation in the neighborhood, and has Sheriff Gow, Guelph, had a number of uable she payoried by dogs on Satur-

At Rator, N. M., Arthur Manley, a of a shocking traced which occurred at wealthy young English cattle owner shot Sharbot I ake on Monday. George Peters, and k and D. R. Griffin, who had called to who is addicted to drink, went to his home at night, and during a quarrel he threw a amp down sairs, when a blaze instantly took pince. His son then threw a pail of water on the flames, which only increased the danger, and in a few seconds the house, which was a small frame one, was a flery furnace. Upstairs was l'eter's wife, his two daughters, and a visitor ramed Miss Bridgen. The mother and eldest daught r managed to get downstairs and ourside; Peters, his daughter and Miss Bildgen p rished in the flames, and only portions of their hodies can be found. The son and several boarders who were downstairs escaped minus their clothing, but when the daughter found the joungest child was upstairs she attempted to get her, but fell exhausted at the foot of the stairs; and was dragged out by her mother. Both were badly burned the daughter fatully. A subscription list has been started for the mother and daughter, who were left without a stitch to their backs. Peters had a narrow escape from being killed by a train some time ago while in liquor, but it proved no warning to him. His son. who was out of the building first, says he heard his father's voice above the roar of the flames cursing his luck and those

about him. -A London special says: -A terrible scandal is growing out of disclosures being made before the select committee of the house appointed to investigate the charges against the transport and commissariat departments in the Angloures are growing more startling day by day and siready exhibit a condition of affairs described as more shameful than anything ever displayed even in American politics. It has been shown that the hay sent to the army for forage was not only mouldy but was loaded with stones and bricks to make up for its short weight.

Every device conceivable by ruscality was and sets fire to the mixture. A dense holder puts it: The Canada cotton mill, in the house appointed to investigate the Pive lady members of the Methodist day and Stready exhibit a condition of the ladiants described as more shameful than bonds of autrimony in a year, and the anything ever displayed even in American leader of the chor has a large number of appointies. It has been shown that the hay Every device conceivable by suscality was issorted to to bleed the treasury. Cattle intended for food for the troops were landed from the transports and then left untended until hundreds of them strayed over into the enemy's lines, and more had to be ordered from home. The troopships and transports were in many cases overloaded when they left England to such an extent that stores had to be thrown over-board in offer to save the vessels. At ing for the open aid of the Catholic hier-archy in Ireland in support of the nation-licons the size of frying pans for live stock, and the result of the use of these barbarous instruments was that hundreds of inutes, for which treble their value had been paid, were disabled and rendered uncless until after the close of the campaign. Officers of the commissariat department have testified that they received The Emperor William is much sean-dalized even the conduct of Grand Duke Louis IV of Hesse, in morganatically marrying Alme, de Kulamire and in abrogating the adiance. Preliminary proceedings in the case sgainst Bunting, Meek, Wilkinson, and Kirkland for attempted bribery of members of the Ontario Legislature were taken before the Court of Queen's Bench on Monday. -Doctors at Point St. Charles, Que.

state that they have not known so many cases of diptheris and of so bad a type for four years. It has become quite an epidemic at the Point, and three or four recent deaths are reported. At Harrisburg, Ky.. eighteen boys after playing a game of baseball started to search for wild paranips, but got hold of the deadly hemlock instead. The boys all ate freely, and were all taken violently sick. Two of them died immediately, five are in a critical condition and are not expected to live.

Some of the Western Sates do not offer very inviting prospects for new comers: The Indianapolls Sentinel earnestly advises its readers either to provide their houses with cyclone-proof cellars or to have subterranean places of refuge at hand into which they can flee before the

omens of coming storms. -A laughable thing occurred in one of the churches in Clinton, one Sunday late-ly, just before the commencement of the service. One of the members who occupies a prominent position in the church, pulled off his waterproof before taking his seat, and was much astonished as were the people, to find that he had only one coat Realizing the situation, he grabbed his coat and siid out, returning when he had secured another cost.

MIDLAND DISTRICT NOTES.

-Napanee claims a population of 3062 and an assessment of \$912,523. -They do nothing by halves at Trenton. whole assessment being appealed - A boy in West Chaffey, Muskoka, recently caught a lynx in a trap which he

had set for rabbits. -Since receiving sentence the prisoners Tomsett and Louder are under guard day and night at Picton.

-Edward Braddon, Kingston, left his daughter's house about a week ago, and has not been seen or heard of since. - Sunday afternoon the body of a male infant was found in a box near the Kingston and Pembroke railway track, Kings-

-Collingwood shows a total assessment of \$1,131.894, besides \$79,444 of exempted property. The population has increased to 5,297. id muskrat skins,

all procured in the Kingston district, were shipped from that city to New York and England the other day. -Mr. D. W. Port of Collingwood calculates to manipulate the catch of seventy

fishing smacks, and to ship about fifty tons per week if the season is good. -On Sunday week, the barn of Charles Runkin, near Wyebridge, was struck by lightning, but the fire was extinguished before it had done much damage.

-One day recently Mr. H. Mick, whilst

assisting to repair the roof of Sewry's foundry, Barrie, fell a distance of fifty feet without receiving serious injury. -Half a million of young salmon trout from the Newcastle hatchery were deposited in the river Trent on Thursday after-

noon, and a quantity in Rideau lake. A brakeman on the railway named Thomas Quinlan fell off a freight train the other morning near Bowmanville. When found he was dead, having both legs cut

off. He was about 25 years of age. His parents reside at Brantford. -Mr. Wm. Wray of Bell Ewart last week while attempting to cross to Roache's Point

in a small sail boat was unset by a sudden squall. He clung to the boat desperately and finally drifted ashore, apparently; none the worse for his cold bath. -On Monday, the 28th ult., while Willie, son of Andrew L. Minaker of Black Creek

was passing behind a horse which he had been feeding, was kicked by the animal so severely that a part of the skull was crushed in, and had to be cut out to relieve pressure on the brain. He is now doing well. -Prof. Evans of Penetanguishene, has been making some researches into the tertiary strata of Muskoka during the winter, and proposes publishing the result of his work. A geological work of this kind will no doubt be regarded with much interest by scientists and the public gener-

NEW CURE FOR DIPHTHERIA

Tar Smoke an effective Remedy We copy the following from the New York Sun and commend it to the attention of physicians wherever this terrible disesse may prevail:-Ruth Lockwood, the 9-year-old child of Thomas Lockwood, a compositor in the Times office, became violently ill with diptheria on Tuesday night. She was so weak that it was deemand sets fire to the mixture. A dens resinous amoke arises, which obscures the air of the room. "The patient," Dr. Delthil says, "immediately seems to experience reilef, the choking and rattle stops; the patient falls into a slumber and seems to inhale the smoke with pleasure. The fibrinous membrane soon becomes detach ed, and the parient coughs up micropi cides. These when caught in a glass may be seen to dissolve in the smoke. In the course of three days afterwards the patient entirely recovers." Dr. Nichola tried this treatment yesterday with little Ruth Lockwood. She was lying gasping for breath when he visited her. First pouring about two tablespoonfuls of liquified tar on an iron pan, he poured as much rich restnous smoke which rose to the reiling was by no means unpleasant. As it filled the room the child's breathing became natural and as the smoke grew dense she fell askep.

Dentistry. L'DGAR E. CULBERT, L. D. S., SURGEON DENTIST

OFFICE—In Brandon's Block, Cannington, Nitrous Oxide Gas used.—70-1y.

W.H. GROSS.

DENTIST.

Nearly 24 Year's Experience. BLACK RUBBER PLATES, will soon exceed his capacity to supply them. From 1 to 6 sets of artificial teeth on this valuable material leaves his office every week. No material in the world possesses so many escentials for a rerfect dental plate. Those wearing ENGLISH BLACK RUBBER PLATES would have no other. Mr. Gross will make teeth on any plate preferred, and will forfeit \$25 to any person whose mouth he cannot fit. A stock of about 10.000 Artificial Teeth to select from. It is believed that no dentist in the Midland district has a stock so large and well selected. Mr. Gross has lately procured one of Dr. Hurd's Vitalized Air Attachments, to be used in connection with the liquified gas. He extracts from 15 to 20 teeth with one inhalation of this combination. ELECTRICITY still used with success. The natural teeth permanently filled and saved. As no term under FIVE YEARS is considered a fair test for a filling. Mr. Gross will guarantee all his fillings for that length of time. In another dental advertisement in this leaves his office every week. No material in win guarance an institution of the time. In another dental advertisement in this paper Mr. Gross is accused of jealousy. The man whose business is steadily on the increase

man whose business is steadily on the increase and who welcomes to his office, annost daily, new faces in search of better dentristy, need not entert in, much less betray, any in rked feelings of jealousy. For good advice and reliable work call on Mr. Gross, over Kennedy's store, Kent-st., Lindsay. Feb. 14, 1884. L. D. S.

Over 20 Years' Experience. The most suc-

cessful Dentist in this part of Canada

The Gold Alloy used by Mr. Neelands for arfificial teeth is a grand success not with standing the false statements made about it by a Lind-ay dentist, jealous of Mr. Neeland's enterprise in buying the patent right. This individual xhibits to his patrons a piece of gross metal resembling soft sawder or lead, and tells them that it is a poison and the same as Necland's Gold Alloy, which is a falsehood, as the Gold Alloy used by him contains both gold and silver and no poison. Mr. Neelands inserts numbers of perfect fitting sets of teath for a gold and is a falsehood. of perfect fitting sets of treth for people in Lindsay, Ops. Mariposa, as well as in anvers and say, Ops. Mariposa, as well as in anvers and other places, after this dentist had tried and entirely failed to give satisfaction. Black Rubber has been used by Mr. Neclanus for the last 17 years. The "Only Genuine English Black Rubber" kept constantly on hand. Teeth property on any plate desired by a property of the same place. Black Rubber" kept constantly on hand. Teeth inserted on any plate desired. In extracting teeth with gas it is a common thing for Mr. Neelands to extract from 10 to 15 teeth with one dose of gas and the person leaving quite well and strong. Mr. Neelands made a special study of this gas under Dr. Colton of New York, the inventor, who writes to Mr. Neelands that he has given the gas to 135.713 persons without the proceeding of the plant of the strong content. the inventor, who writes to Mr. Neelands that he has given the gas to 135,713 persons without an accident. Teeth filled to last a life-time. One lady says she had her teeth filled with gold by Mr. Neelands over 15 years ago, and her teeth are all good yet. "The People's Dental Instructor." a book worth its weight in gold. Call and get a copy free. Office next door to R. Smyth's Store. May be found after hours at private residence, Mill-st., near Kent. Persons from a distance will please send postal card before coming
