VICTORY!**COAL OIL STOVES.**

The Greatest Success of the Day.

THE NEW STYLE.

"VICTORY"

coal oil stove, with patent sliding top. This stove is the safest, the most economical, the most convenient and in every respect the best oil stove in the world. It will guarantee it to do the work of an ordinary coal stove at one-half the cost of one cent per pound. We advise those thinking of purchasing oil stoves to call at

WOOD'S STOVE DEPOT

and examine the VICTORY. Four different

varieties.

CHEMIST MILK PANS

Patent to the proprietors. The Harland Patent Milk Pan and Creamer are manufactured, having a time yet allotted for raising them. All butter makers should have them, as their butter would be worth five cents per lb. We can supply all kinds of cream separators, separators, etc. We can supply the farmers who desire to have them made, and we can supply them for this country.
