(Correspondence of The Post.) HARVESTING AND THRESHING. - The farmers are about through harvesting here. They are now busy sowing their fall wheat. We hope Mr. McLaughlin will always be as successful in his studies as he has been during the past. He deserves general credit as he attended no school since he passed his entrance examination except during the five months which he spent in Cobourg.

Miss Emsur of Kirkfield presided as organist and leader of the choir with great skill and efficiency. The singing was of the highest quality. Credit is due to Miss Emsur for the manner in which she organized the choir and conducted it so successfully. High mass has been sung for some time. Miss Emsur is the first who has been successful in organizing a choir in this mission.

GLENARM.

(Correspondence of The Post.) TEMPERANCE MEETING. - Our temperance society held their regular monthly meeting on Wednesday evening, 3rd inst., in the Presbyterian church. At the appointed hour the Rev. D. McDonald, pastor, occupied the chair and opened the meeting by reading a portion of the scriptures and engaging in prayer. The choir sang an appropriate selection in good style. Mr. C. N. McDonald of Eldon gave a reading on temperance, which was well received. Mr. Peter W. Ferguson gave a short speech. He spoke principally on the way which the church was lighted and several other subjects. His speech was very interesting. The chairman gave a pithy speech on his travels in the northern towns, where he has been holding the communion at Uphill. It was very interesting. The meeting was brought to a close by singing the doxology and prayer. The following gentlemen are expected to prepare to address the next meeting: Mr. D. C. Smith, teacher; Islay; Mr. John A. Graham, Palestine; and Mr. Wm. Calder, Maple Hill.

The outer vault door was broken open, and the inner door also cut open. The combination lock was knocked off and a drill began. At this stage the burglars became frightened and left the premises, leaving their tools behind them. There were two young men sleeping in an apartment over the bank, but they were unconscious of the presence of the burglars. Nothing of value was taken.

VIRGINIA.

(Correspondence of The Post.) STRUCK BY LIGHTNING. - On Wednesday last while a heavy thunder storm was passing over this vicinity the barn and stable occupied by Mr. Benjamin Flewell was struck by lightning and totally destroyed. Mr. Flewell is a heavy loser as his total crop of grain and hay with the exception of a small field of oats, was all stored therein and entirely consumed. The stable of the dwelling occupied by Rev. Mr. Madeline Sutton was struck by lightning and entirely consumed. Every article of furniture was removed with the exception of some hay, so the loss in this case is not as heavy as in the former.

EXHIBITION.

(Correspondence of The Post.) EXHIBITION. - On Saturday last quite a number of horses and cattle were shipped from Sutton station for the industrial exhibition, Toronto, the first of which is being held at the Exhibition Grounds, Toronto. Mr. John L. Howard and Mr. Charles Sinclair. We hope the same good luck will attend our Georgian breeders as on former occasions. Last year they succeeded in carrying off numerous prizes, no doubt they will do so on this occasion.

FRANKLIN.

(Correspondence of The Post.) PERSONAL. - We are glad to hear Mr. John Fritschler, who has been employed for some time past in the store of Mr. J. They are well worthy of the best situations in any town or city as they are well known for their integrity.

MURKIN TOPICS.

(Correspondence of The Post.) MURKIN TOPICS. - A noticed several of our councilmen in the village on Saturday, among whom we noticed Mr. Robert Grandy, school teacher of Lifford. We are glad to see that the people of Manvers have at last shown their good sense in electing a young man like Mr. G. We should like to see a few more young men elected to the council. Soon they will have to battle with the affairs of the country, and now is the time for them to begin. Now we must say this, that we as a people here, have not been treated fairly by the council in past years. The first time we made application for a sidewalk, which would not have cost more than \$20 or \$30, but they felt quite indignant at our request. Of course we did not make about us few creatures getting our pretty feet in the mire. Bethany people must have their feet kept dry and of course we should like to see a few more young men elected to the council.
