**"Lindsay Tea House"**

In extending this suggestive compliment the world respectfully intimates that we have made great preparations to meet the wants of friends, customers and the public in general, and would solicit a call to examine goods and prices, and purchase what is reasonable, cheap and durable to make

**A MERRY CHRISTMAS**  
Rich and rare is our Holiday Goods in CHINA & GLASS-WARE. We have exquisitely hand-painted Cups and Saucers, beautifully fluted Glassware, vases and hand-somely designed Dresden and Terra Cotta goods, with all the intervening articles in these lines to fill the bill and meet the taste and requirements of a Merry Christmas

**AND HAPPY NEW YEAR**  
Our Christmas Confectionery and Fruits this season bears description. They are the nicest, most novel and artistic, and best adapted to mirth-making yet produced. The Pastoric Candy must be seen to be appreciated. In a word, they are just lovely!

**TO ALL,**  
TRY OUR TEA, SUGAR, COFFEE (fresh ground), and general provisions, which we have been distributing to the public so satisfactorily during the last seventeen years, and please ourselves to sell Good Goods as low as the lowest. Agent for LIQUOR TEA and BIRKENHEAD TEA.

*The Newest, Handsomest and the Most Stylish Novelties*  
TO BE FOUND IN THE TOWN OF LINDSAY.

The fond mother, the indulgent father, the boisterous brother and the critical sister will find that we have helped Santa Claus out of an embarrassing position this season. The portly old friend of our childhood finds it impossible to reach the many waiting stockings hung beside our modern base-burner and patent fires. We therefore come to the rescue, and putting our store at his disposal, have filled it to overflowing with elegant Christmas presents. Santa Claus' main depot is now open for your inspection, and he invites you all to call—you will be delighted.

Rare novelties in Christmas Cards, Plush Goods, Albums of all descriptions, Pocket and Teachers' Bibles, Books of all kinds, Brass Goods, Leather Goods, Glass Goods, and a thousand other pretty conceits. Legions of Dolls, all sizes.
