Send Your Photographs to a friend instead of a Christmas card. Fine Cards - de-luxe at low prices at SCOTT & ANDRUS. -15-3. Curling. The weather has been rather disappointing from a curling point of view. Probabilities promised a spell of hard freezing. The rink was flooded, but the ice was not up to the mark. Then came the thaw and the curling seemed a long way off, and as appearance no it will be well into January before the ice is ready for a match. In the meantime there is just so much curling left.

The Christmas Post.

The annual Christmas edition of THE CANADIAN POST was printed this week and mailed from this office to all householders in the county. The large edition of seven thousand copies was printed and is by this time in the hands of readers. The number is the best yet issued and we have been complimented very highly on the handsome typographical appearance and neatness of the sheet. The utmost care has been taken to put up the advertisements in attractive and striking shape and to supplement the business announcements by a liberal quota of interesting reading matter of a character acceptable at this season. If any of our friends wish to have a copy of THE CHRISTMAS POST mailed to friends they can get the paper by calling at this office, where a number of papers will be reserved for that purpose.

Card of Thanks.

THE MASSY MANUFACTURING Co. of Toronto desire to thank the farmers of Lindsay vicinity for their liberal patronage in the past to C. McLean, while he was their agent, and now wish to state that in future they will be represented by JAMES McLEAN and W. W. JORDAN, and that DOUGLAS SINCLAIR, general blacksmith, Lindsay, will have charge of repairs, and will keep a general stock for that purpose.

The "Peterboro Examiner" Book-Bindery.

The attention of the public is directed to the fact that the book-binder in connection with the Peterboro Examiner is one of the most thoroughly equipped in the province. The machinery and appliances are all new, and of the most modern and improved character. The bindery is in charge of the most competent hands to be had, whose work for years past has distanced all others when placed on competitive exhibition - always securing first prizes. The Examiner bindery is now prepared to fill all orders for binding, ruling or blank books, in the highest style of the art and at reasonable figures. Every sort of book bound in any desired style, in a manner guaranteed to be in every case satisfactory. We have arranged special facilities for the binding of "Pictureque Canada," in styles corresponding to the beauty of the work - in full or half morocco, full or half roan, gilt or marbled edges, etc. The copies already bound in this work, having universal facilities for doing the binding of "Pictureque Canada," we can afford to make a liberal offer to our bindery charges on the numbers forwarded to our bindery, and on the bound volumes when returned. All work of this kind is done in the most expeditious manner, and the bindery will receive special attention; strong, flexible binding and artistic finish of the first order will mark our execution of this class of work. The manufacture of blank books, ledgers, journals, invoices, etc., etc., in another department in which The Examiner bindery excels. Our stock paper, etc., is purchased at most favorable rates, and considering the excellence and the thoroughness of the binding, our prices are extremely moderate. We urge the public of Lindsay and Victoria generally to give The Examiner Bindery a trial, and to be convinced that this satisfaction will be the result. No pay will be exacted of any person who is honestly dissatisfied with the work turned out. Correspondence and patronage solicited.

The Tarverner Dramatic Co.

The Tarverner Dramatic Co. opened in the opera house on Friday night of last week and played to a full house. The company has kept the boards during each evening of this week and have been well patronized, as they deserve to be. They have always been favorites with Lindsay people and while always giving great satisfaction have excelled themselves during this visit. A repertoire of plays has been drawn on to place before the audience on each evening some of the best and most popular dramatic productions of the day, including "The Millionaire," "The Doctor" and other plays. Their performance in the first was exceedingly satisfactory. The personnel of the company is of a very superior character, and an excellent support is given to Miss Ida Van Cortlandt, Mr. A. Tarverner and Mr. Wilson Day, who sustain the leading roles. Theatre-goers, who have seen from time to time the best companies playing in the cities, tell us that the Tarverner Dramatic Co. are quite the equal and in many respects the superior of many organizations which assume to be first-class in every respect. From Lindsay the company go to Peterboro, where they will be equally well received, and play a season of five nights. On this (Friday) evening Miss Ida Van Cortlandt will give a grand benefit performance, in which she will appear in the emotional play of "Leda Astray." The benefit performance will, we are sure, be well attended and the receipts should amount to a substantial sum.

MAN'S ORGANISM

Is the most complete work of the Creator, and when this complicated structure, so exquisitely wrought, is disturbed by disease, the most efficient aid should be sought from the most skilled physician - for the human body is too precious to be neglected. It becomes the question, then: "What physician shall be employed?"

Dr. OSCAR JOHANNSEN, of the University of Berlin, Germany, has made a lifelong study of ailments of the Nervous and Genito-Urinary System.

THOUSANDS OF PEOPLE

TRY TO THINK

Where they can purchase Goods to the best advantage, and it is but fair to presume that every one will try to buy where it suits them best. Every one is entitled to have ONE DOLLAR'S WORTH FOR ONE DOLLAR, and our aim is to always give every purchaser full value for the money paid. We can sell you as low as you can buy in any cash store in the town. We have found out that no matter if times are dull, people will buy if bargains are offered. This week we have arranged to run off the following big bargain lots, in

Corsets, Overcoats, Gent's Furnishings, Furs,

Tweeds, Dress Goods, Etc.

The qualities are excellent and the public know that we ask far short of what others are wanting.

WHERE?---AT RITCHIE'S BAZAAR.

WHAT?---DULL TIMES.

While others are crying Dull Trade, we are exceedingly busy. The cause no doubt is owing to the fact of our prices being lower than any house for reliable goods, and a LARGER VARIETY TO SELECT FROM, as we keep in stock everything required to furnish a household and clothe the inmates.

We have just finished marking down the prices of 175 men's and boy's Overcoats. Our reasons for reducing these goods is owing to our stock in this department being rather heavy.

Other Special Lines which we will make a bold push to clear during the next two or three weeks are a lot of Ladies' and Misses' Mantles, a large lot of white All Wool Blankets, a special lot of Ladies' and Gent's Fur Caps. We are bound also to make our Heavy Wool Dress Goods hum, as well as our Costume Cloths and Colored all wool Cashmeres.

Boots and Shoes, and the thousand and one other lines we have not time to mention.
