POLITICAL MERTING. The representatives of North Ontario, who have been holding a series of political meetings in their riding, must have felt a thrill of pleasure and satisfaction when they found such a weil-filled hall awaiting them last Tuesday evening. By arrangement Mr. Mc-Intyre, Mr. O'Leary and Mr. Barron of Lind-ay, were present and co-operated with Mr. Cockburn and Mr. Gould in explaining to the people of this section the principles and platform of the reform party. When the hour for opening the meeting arrived, on motion of Mr. Douglass, Mr. Bowes was elected to the chair, the meeting. He explained the object of the meeting: to meet the electors when their minds are free from the excitement of elections and examine calmly the cur-rent questions, and then sketched in brief review the strife that has been going on between the provincial and the Dominion legislatures. In conclusion he assured his riding and of the province at large. Mr. O'Leary followed.
