

A. Campbell.

STEADY, SOLID, UNSENSATIONAL

I want the public of the county to notice that sugars are advancing—the price is being pushed up by the refiners and wholesale men. I want the buyers of the county to remember that I bought a very large supply of sugars in advance of the advance. It should be quite plain to all that I am in a position to give almost unequalled value in SUGAR. Try our store for any quantity from one pound up to half a car load.

Other things we offer equally as cheap as sugars. It's not luck that puts us in a position to do so, but good business foresight and the custom that makes it profitable all around to buy in large quantities, although we often sell in small lots.

Remember our text about sugars is a whole sermon on prices with us.

PROFESSIONAL ENDORSEMENT

NEWCOMBE PIANOFORTES. OCTAVIUS NEWCOMBE & Co. Warerooms, 107 and 109 Church-st., Toronto, Ont.

Manufactured by

WAREROOMS, 107 and 109 Church-st., Toronto, Ont.

From Mr. Edward Fisher, Conductor of the Toronto Choral Society: "In examining the various styles of your Pianos, I have found not only that substantial excellence which is the foundation of a good instrument, as regards strength and durability, but also an easy touch, which indicates at once to a musician the superiority of the action and volume, while it increases in brilliancy with use."

From Mr. Geo. W. Strachy, professor of the Chair of Music of the University of Trinity College, Toronto: "After thoroughly testing the Upright Pianos you are manufacturing, I have much pleasure in stating that I consider them entitled to be ranked among the best instruments of the kind manufactured on this continent."

From Mr. Geo. H. Hartman, of the Royal Conservatory of Music, Leipzig: "It affords me pleasure to state, that I find in the Upright and Square Pianos of your manufacture which I have played upon, a quality that are only met with in instruments of the very first rank. Their tone is clear and brilliant and of a thoroughly musical quality. The action is prompt and effective, and with their beautiful appearance secures my full appreciation."

From the Hon. Mr. Justice G. B. Hodge, formerly Chief Justice of the Province of Ontario: "The brilliancy and sympathetic quality of tone, I consider your Upright Pianos unequalled by any made in Canada. The touch is responsive, the treble clear and resonant so that I can in all respects recommend them."

A variety of SECOND HAND PIANOS by other makers (see columns in part past) at Special Rates for Cash, or on monthly or quarterly payments.
